TOWN OF PLAINVILLE
WARRANT

FOR THE
SPECIAL TOWN MEETING

TUESDAY, JANUARY 19, 1988

at 7:30 P.M.

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood School Auditorium, South Street, in said Plainville, on

TUESDAY, JANUARY 19, 1988

at seven-thirty o'clock in the evening, then and there to act on the following articles, viz:

ARTICLE 1:

To see if the town will raise and appropriate or appropriate by transfer \$16,290.00 for the purpose of constructing a new running track and tennis courts at the King Philip Regional High School, said expenditures to be at the direction and supervision of the King Philip Regional School Committee, as designated agent of the Town, or do or act in any manner relative thereto.

ARTICLE 2:

To see if the Town will vote to amend the vote taken on Article 14 of the April 1987 Annual Town Meeting and renumber Section 2.9, entitled "Special Conditions Applicable to Special Permits" to read Section 2.10, and all other action taken on Article 14 to remain as voted, or do or act in any manner relative thereto.

(2/3 Vote required)

ARTICLE 3:

To see if the Town will vote to raise and appropriate or transfer from existing funds in the Roof replacement account the sum of \$7,000 to purchase a Base Station for the Fire Department, such sum to be expended under the direction of the Fire Chief, or do or act in any manner relative thereto.

ARTICLE 4:

To see if the Town will vote to raise and appropriate or appropriate by transfer \$2,500 to purchase a new duplicating machine for the Council on Aging for the purpose of printing a monthly newsletter for the seniors of Plainville, or do or act in any manner relative thereto.

ARTICLE 5:

To see if the Town will vote to raise and appropriate the sum of \$100,000 to locate and repair leaks presently existing in the Everett W. Skinner Swimming Pool, or do or act in any manner relative thereto.

ARTICLE 6:

To see if the Town will vote to transfer from the FY88 Expense Account of Town Park the amount of \$1,180 to pay for the lettering of "Everett W. Skinner Pool", or do or act in any manner relative thereto.

ARTICLE 7:

To see if the Town will vote to raise and appropriate the sum of \$60,000 as the local share of a State Grant Program for the purpose of conducting a study on the Inflow and Infiltration into the existing sewer system or do or act in any manner relative thereto.

ARTICLE 8:

To see if the Town will vote to raise and appropriate the sum of \$60,000 to fund the costs associated with design and construction of a new water main on Mirimichi Street to be used as an emergency connection with the Town of Foxboro water system or do or act in any manner relative thereto.

ARTICLE 9:

To see if the Town will vote to raise and appropriate the sum of \$20,000 to fund a water well exploration program or do or act in any manner relative thereto.

ARTICLE 10:

To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of upgrading the existing chemical feed system at the Route 106 pump stations or do or act in any manner relative thereto.

ARTICLE 11:

To see if the Town will vote to raise and appropriate or to transfer from available funds the sum of \$3,500 to fund additional FICA/MEDICARE TAX liability to be incurred by the Town through June 30, 1988 or do or act in any matter relative thereto.

ARTICLE 12:

To see if the Town will vote to raise and appropriate or to transfer from available funds the sum of \$13,100 to fund Interest on Temporary Loans for Fiscal Year 1988 or do or act in any manner relative thereto.

ARTICLE 13:

To see if the Town will vote to raise and appropriate or to transfer from available funds the sum of \$3,000 to fund additional costs of providing handicapped access at the Wood School or do or act in any manner relative thereto.

ARTICLE 14:

To see if the Town will vote to accept the provisions of Chapter 40 Section 4H of the Massachusetts General Laws or do or act in any manner relative thereto.

Note: Acceptance of the Section allows the Town to purchase and enter into contracts to purchase equipment, supplies and materials from any agency or instrumentality of the federal government, the commonwealth or any of its political subdivisions.

And you are directed to serve this Warrant by posting copies thereof in six (6) public places, in said Town, fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 28th day of December in the year of our Lord one thousand nine hundred and eighty seven.

Selectmen of Plainville

.....Constable

A Special Town Meeting for the Town of Plainville was held on Tuesday, January 19, 1988, at the Beatrice H. Wood School on South Street. The meeting was called to order at 7:37 P.M. by Moderator Kathleen Parker. A total number of 140 registered voters were checked in for the evening.

The Moderator stated that the bounds of the hall for voting purposes would be the chairs on the floor of the auditorium, with only non registered persons to be seated on the bleachers on the sides.

Counters appointed to the Moderator's right were Patricia Walls and George Hayes; to the Moderator's left, Kenneth Cox and Celine Hassell.

Ballot Box Officers in case of a ballot vote were designated as Mrs. Sandland and Mrs. Clarke.

All speakers were requested to use the microphone and give name and address when recognized.

Moderator opened the meeting with the reading of the warrant.

Motion by Robert Hartnett, seconded by Virginia Silveira that Robert Brothers, John Lee, James Marshall and Pat Hughes be allowed to speak at this Town Meeting.

SO VOTED UNANIMOUSLY

ARTICLE 1: The Finance Committee recommends, and I so move, that the Town vote to transfer from the 1988 Tennis Court Account the sum of \$16,290.00 for the purpose of constructing a new running track and tennis courts, at the King Philip Regional High School, such sum to be expended under the direction of the King Philip Regional School Committee.

MOTION CARRIED

ARTICLE 2: To see if the Town will vote to amend the vote taken on Article 14 of the April 1987 Annual Town Meeting and renumber Section 2.9, entitled "Special Conditions Applicable to Special Permits" to to read Section 2.10, and all other action taken on Article 14 to remain as voted.

Motion by Andrea Soucy, seconded by Robert Hartnett, to accept Article 14 as printed. (2/3 vote required)

Mrs. Soucy gave the Report of the Planning Board as follows:

On January 14, 1988 at 7:30 P.M., the Planning Board held a public hearing to renumber Section 2.9, entitled "Special Conditions Applicable to Special Permits" to read Section 2.10.

At the hearing the Town Clerk explained that the change was due to a typographical error in the original preparation of Warrant Article 14 of the April 1987 Town Meeting.

All of the public present at the meeting agreed it should be changed. Therefore, it was the unanimous vote of the Board to recommend this change.

The Planning Board recommends and I so move that Article 2 be approved as read.

A standing vote showed no one opposed.

SO VOTED UNANIMOUSLY

ARTICLE 3: Motion by Patrick Francomano, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to transfer from the 1988 Roof Replacement Account, the sum of \$5,000.00 for the purpose of purchasing a Radio Base Station for the Fire Department, such sum to be expended under the direction of the Fire Chief.

Dr. Kublin questioned why there was money left in the roof account to be transferred, and Chief Skinner replied that the bids had come in for \$7,000.00 less than anticipated.

SO VOTED UNANIMOUSLY

ARTICLE 4: Motion by Bruce Howell, seconded by Gene Alsworth--the Finance Committee recommends, and I so move, that the Town vote to transfer from Free Cash the sum of \$629.00, and \$1,871.00 from the 1988 Tennis Court Account for the purpose of purchasing a new duplicating machine, such sum to be expended under the direction of the Council on Aging.

Question was raised as to necessity, suggesting that the COA could use the machine at the the Town Office, since the Council is a town department. Mr. Lee explained that the volume of usage would put too much mileage on the office machine. Mr. Fawcett also explained in greater detail the many purposes for which the machine would be used.

Question called & seconded. Vote on calling question Yes 126 No 1

ARTICLE 4 PASSED UNANIMOUSLY

ARTICLE 5: Lost for lack of a motion.

ARTICLE 6: Motion by Gene Alsworth, seconded by Bruce Howell--the Finance Committee recommends and I so move, that the Town vote to transfer from the 1988 Expense Account the sum of \$1,180.00 for the purpose of purchasing lettering for the "Everett W. Skinner Pool", such sum to be expended under the direction of the Park Commission and the Board of Selectmen.

The Moderator asked for clarification of whose expense account, and reply was the Park, which she added to the motion as there were no objections.

Michael Lee requested time to speak with the Moderator, and after a brief discussion, the Moderator declared a five minute recess for a clarification of this article.

Meeting reconvened and the Finance Committee requested that this motion be withdrawn, and there was no opposition to the withdrawal,.

Mr. Grzenda had a question, but Moderator asked that he hold the question until the new motion was on the floor.

Motion by Donald McAlpine, seconded by Barbara Meyer--the Park Commission recommends and I so move, that the Town vote to transfer from the FY 88 Expense Account of the Town Park, the amount of \$1,180 to pay for the lettering of "Everett W. Skinner Pool".

There was some discussion as to the difference between motions, and also why the inference was that the cost was for work to be done, when it actually had already been done. Question called and seconded.

Mr. Grzenda's question had been answered in the previous discussion.

Vote on calling question: Yes 112 No 2 Needed 76

ARTICLE 6 PASSED

ARTICLE 7: Motion by Virginia Silveira, seconded by Bruce Howell--the Finance Committee recommends, and I so move, that the Town vote to transfer from Free Cash the sum of \$60,000.00 for the purpose of supplying the Town's share of a State Grant Program, to study the inflow and infiltration into the existing sewer system, such sum to be expended under the direction of the Sewer Commission, any funds returned to the Town from the State Grant shall be returned into the Surplus Revenue Account.

Discussion followed as to condition and age of present system, and reimbursement funding available.

SO VOTED UNANIMOUSLY

ARTICLE 8: Motion by Bruce Howell, seconded by Michael Lee--the Finance Committee recommends, and I so move, that the Town vote to transfer from Free Cash the sum of \$60,000.00 for the purpose of constructing an emergency water connection with the Town of Foxboro, on Mirimichi Street, such sum to be expended under the direction of the Water Commission.

Again, discussion followed.

ARTICLE 8 PASSED

ARTICLE 9: Motion by Gene Alsworth, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to transfer from Free Cash the sum of \$20,000.00, for the purpose of Water Well Exploration, such sum to be expended under the direction of the Water Commission.

Question raised as to area of exploration, and Mr. Marshall stated that one of the areas was Cowell Street. Also questioned was the time limit of the moratorium.

SO VOTED UNANIMOUSLY

ARTICLE 10: Motion by Frank Delvecchio, seconded by Gene Alsworth--the Finance Committee recommends, and I so move, that the Town vote to transfer from Free Cash the sum of \$5,000.00 for the purpose of upgrading the existing chemical feed system at the Route 106 pump station, such sum to be expended under the direction of the Water Commission.

UNANIMOUS VOTE

ARTICLE 11: Motion by Gene Alsworth, seconded by Bruce Howell--the Finance Committee recommends, and I so move, that the Town vote to transfer from Free Cash the sum of \$3,500.00 for the purpose of funding additional FICA/MEDICARE tax Liability, that will be incurred by the Town through June 30, 1988, such sum to be expended under the direction of the Town Treasurer.

UNANIMOUS VOTE

ARTICLE 12: Motion by Frank Delvecchio, seconded by Patrick Francomano--the Finance Committee recommends, and I so move, that the Town vote to transfer from Free Cash the sum of \$13,100.00 for the purpose of funding Interest Expense on Temporary Loans for Fiscal 1988, such sum to be expended under the direction of the Town Treasurer.

UNANIMOUS VOTE

ARTICLE 13: Motion by Virginia Silveira, seconded by Gene Alsworth-- the Finance Committee recommends and I so move, that the Town vote to transfer from Free Cash the sum of \$3,000.00 for the purpose of funding the additional costs of providing handicapped access at the Wood School, such sum to be expended under the direction of the Board of Selectmen.

UNANIMOUS VOTE

ARTICLE 14: To see if the Town will vote to accept the provisions of Chapter 40 Section 4H of the Massachusetts General Laws, or do or act in any manner relative thereto.

Note: Acceptance of this Section allows the Town to purchase and enter into contracts to purchase equipment, supplies and materials from any agency or instrumentality of the federal government, the Commonwealth or any of its political subdivisions.

Motion by Robert Hartnett, seconded by Deborah Gard to accept Article 14 as printed.

Question was raised as to whether a section of law could be accepted, and reply was affirmative.

SO VOTED UNANIMOUSLY

All business of this Special Town Meeting having been completed, the motion was made and seconded to adjourn the meeting at 9:12 P.M.

SO VOTED

Respectfully submitted,

KATHLEEN M. SANDLAND
Town Clerk

ARTICLE 47: To see if the Town will vote to raise and appropriate or to transfer from available funds the sum of \$1,350,000 to fund the design and construction of a Water Treatment system for Wells #1, #2, and any future George Street Municipal Water wells and to determine how such appropriation shall be raised, either by taxation, transfers from available funds, borrowing, or otherwise, and further, to authorize the Water Commissioner to make applications for any State and Federal Grants and reimbursements as may be available, or do or act in any manner relative thereto.

ARTICLE 48: To see if the Town will vote to authorize the Board of Selectmen to petition the Great and General Court of the Commonwealth of Massachusetts to allow for the recall of any holder of an elective office or take any other action relative thereto. (A petitioned article)

ARTICLE 49: To see if the Town will vote to amend Article III the Sewer Use By-Law, as follows: Section 17: License for Drain Layers. All Drain Layers shall obtain a license from the Board prior to performing any work in the Town. All licenses shall be issued for a one year period with renewal required on January 1 of each year. In applying for a license, the Drain Layer shall provide all information required by the Board including a statement that the license will supervise and be responsible for all work performed under the license. (the remainder of Section 17 will not change). Section 18: Licensee not to allow use of name by another. No person duly licensed to construct Building and other private Sewers and make connections with Public Sewers shall allow his name to be used by any other person, either for the purpose of obtaining permits or doing any work under his license. All Building Sewer installation work shall be performed by Drain Layers licensed by the Board.

NOTE: the purpose of the change to Section 17 to remove the requirements that Drain Layers also be "licensed to perform blasting in the Commonwealth," and the change to Section 18 is to remove the requirements "applicants for permits must be Drain Layers licensed in Plainville."

ARTICLE 50: To see if the Town will vote to raise and appropriate or to transfer available funds the sum of \$700,000 to fund the design and constructing of Vyredox water treatment system at Well #3 and to determine how such appropriation shall be raised, either by taxation, transfers from available funds, borrowing, or otherwise, and further, to authorize the Water Commissioner to make applications for any State and Federal Grants and reimbursements as may be available, or do or act in any manner relative thereto.

ARTICLE 51: To see if the Town will vote to amend the wording of article (13) establishing a Permanent Building Committee to read:

The Committee to be comprised of seven members, four of which will be appointed by the Board of Selectmen and the Finance Committee, one from the Board of Selectmen, one from the Finance Committee, one from the Local School Committee, one from either the Planning Board, Zoning Board, or the Building Inspector, and three members to be appointed jointly by the Selectmen and the Finance Committee from the registered voters in the Town, the terms of which will be staggered as four for a one year term, one for a two year term, and two for a three year term, or do or act in any manner relative thereto.

ARTICLE 52: To see if the Town will vote to amend Section 1.1C of Chapter I of the Town By-Laws to read as follows:

- 1.1C. A Finance Committee consisting of seven members elected for terms of three (3) years. The Chairman of the Board of Selectmen and the Town Treasurer shall also serve as members of the Finance Committee. The Committee shall have the power to fill any vacancy in its membership, or do or act in any manner relative thereto.

ARTICLE 53: To see if the Town will vote to amend Section 3.4 of Chapter 1 of the Town By-Laws to read as follows:

- 3.4 For the purpose of transacting its business, a quorum shall consist of four (4) members of the Committee, exclusive of the Chairman of the Board of Selectmen and the Town Treasurer. The Chairman of the Board of Selectmen and the Town Treasurer shall be non-voting members of this Committee, or do or act in any manner relative thereto.

ARTICLE 54: To see if the Town will vote the following: We the undersigned registered voters of the Town of Plainville hereby petition the Board of Selectmen to insert in the Annual Town Meeting, a warrant article which would provide that the Town adequately fund the Police Special Duty Payroll Account, or do or act in any manner relative thereto. (A Petitioned Article)

ARTICLE 55: To see if the Town will vote to permit the King Philip Regional School District to accept an Equal Educational Opportunity Grant for fiscal year 1989, in the amount of \$6,534, under the provisions of Massachusetts General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985. Said Grant shall be expended by the King Philip Regional School District Committee for direct service expenditures with funds provided solely by the Commonwealth, or do or act in any manner relative thereto.

ARTICLE 56: To see if the Town will vote to compensate members of the King Philip Regional School District Committee for their services to the regional school district, or do or act in any manner relative thereto.

ARTICLE 57: To see if the Town will vote to set the compensation to be paid to the members of the King Philip Regional School District Committee according to the following fiscal year compensation schedule: \$1200 Chairman, \$1000 Vice-Chairman, \$850 for each other member. Such compensation to be included in the annual budget of the regional school district and to commence in Fiscal Year 1989 or do or act in any manner relative thereto.

The Annual Town Meeting of the Town of Plainville was held on Monday, April 11, 1988 in the auditorium of the Beatrice H. Wood School on South Street, with a total number of 119 registered voters checked in for the evening.

Meeting was called to order at 7:40 P.M. by Moderator Gayle Mason.

Counters appointed to the Moderator's right were Paul Spadoni and Patricia Walls; to the Moderator's left, Robert Bedard and Celine Hassell.

Bounds of the hall for voting purposes were designated as being the chairs on the floor of the auditorium, with all others to be seated in the bleachers. One section of the bleachers was designated for those registered for Special Town Meeting only.

The Moderator stated that all motions and amendments must be in writing, and all discussion directed through the chair. Ballot Box officers in case of a ballot vote would be Kathleen Sandland and Joan Clarke.

A salute to the flag was given in lieu of an invocation.

Motion by Robert Hartnett, seconded by Deborah Gard, that the following persons be allowed to speak before this Town Meeting: Attorney John Lee, Attorney Maureen Lee, Robert Brothers, Francis Cinelli, William Costa, James Johnson, Jim Marshall, Patrick Hughes and William Callahan of Camp Dress & McKee, and Greg Guimond from SRPEDD.

UNANIMOUS VOTE

ARTICLE 2: Motion by Deborah Gard, seconded by Robert Hartnett--I move that Edgar Peavey, Joseph Porter and George Brown be appointed Fence Viewers and Field Drivers; and that Ronald Fredrickson be appointed Measurer of Wood, Bark and Lumber for the ensuing year.

UNANIMOUS VOTE

ARTICLE 3: Motion by Robert Hartnett, seconded by Deborah Gard--that the reports of the Selectmen, and other Town Officers be accepted as printed, with the exception of any errors and omissions.

UNANIMOUS VOTE

ARTICLE 4: Motion by Deborah Gard, seconded by Robert Hartnett--that the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, Assessors' Clerks, Clerks of the Selectmen, Constables, and Police Department Licensing Authority be placed with a Fidelity or Guarantee Company.

UNANIMOUS VOTE

ARTICLE 5: Motion by Robert Hartnett, seconded by Deborah Gard--that the Town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning July 1, 1988, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 6: Motion by Deborah Gard, seconded by Robert Hartnett--that the Town vote to authorize the Board of Selectmen to accept and enter into

contracts for the expenditures of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town Roads.

UNANIMOUS VOTE

Motion made by Virginia Silveira, seconded by Robert Hartnett to adjourn the Annual Town Meeting at 8:00 P.M., until the completion of the Special Town Meeting.

SO VOTED

Annual Town Meeting reconvened at 9:38 P.M.

Mr. Silveira requested a breakdown from the Finance Committee of the total amount of monies available, and from what sources various amounts were available. Moderator asked if someone could supply this information. Mr. Lee stated it would take a few minutes to compile this information, so Moderator moved to next article, which had no funding in the wording.

ARTICLE 7: Motion by George Brown, seconded by John Rockett--that the Town vote to accept the provisions of Section 108L of Chapter 41 of the General Laws, and provide career incentive salary increases for police officers.

There followed considerable discussion as to cost of implementing this article. Attorney Lee was asked for his opinion and he stated it would be very costly. Mr. Hartnett also spoke as to the expenses of article, and urged voters not to support this motion.

Motion by Robert Hartnett, seconded by Wallace Mathews that this article be tabled.

SO VOTED

Motion made by Robert Hartnett, seconded by Deborah Gard to reconsider Article 7.

Considerable discussion followed, and it was determined that it was necessary to reconsider the motion to table, not the article.

Accordingly, Ms. Gard withdrew her second, and Mr. Hartnett withdrew his motion to reconsider Article 7.

Motion made by Robert Hartnett, seconded by Deborah Gard to reconsider the vote to table Article 7. Result of vote: Yes 2 No 64

MOTION FAILED

ARTICLE 8: Lost for lack of a motion.

ARTICLE 9: Motion by Michael Lee, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to raise and appropriate the sum of \$1,500.00, for the purpose of funding employee physicals, such sum to be expended under the direction of the Board of Selectmen/Personnel Board, such monies to come from taxation.

MOTION CARRIED

ARTICLE 10: Motion by Virginia Silveira, seconded by Michael Lee--the Finance Committee recommends, and I so move, that the Town vote to raise and appropriate the sum of \$20,000.00, for the purpose of funding an Audit

of Fiscal 88 financial records, such sum to be expended under the direction of the Town Accountant, and the Board of Selectmen, such monies to come from taxation.

SO VOTED

ARTICLE 11: Motion by Bruce Howell, seconded by Gene Alsworth--the Finance Committee recommends, and I so move, that the Town vote to fix the salary and compensation of all elected officers of the Town as provided by Section 108 of Chapter 41, General Laws as amended, as follows:

Moderator.....	\$ 25.00 per meeting
Town Clerk.....	18,382.00

Selectmen, Chairman.....	1,200.00
Second Member.....	1,200.00
Third Member.....	1,200.00
Board of Health, Each Member.....	500.00
Assessors, Chairman.....	1,500.00
Second Member.....	1,500.00
Third Member.....	1,500.00
Tax Collector.....	16,000.00
Water Commissioners, Chairman.....	400.00
Second Member.....	300.00
Third Member, Secretary.....	1,300.00
Sewer Commissioners, Chairman.....	400.00
Second Member.....	300.00
Third Member, Secretary.....	1,000.00
Constable.....	3.55 per hour
Tree Warden.....	3.55 per hour

Motion by Kathleen Parker, seconded by Gene Alsworth to amend the motion on Article 11 to read--Town Clerk...FY 1989....\$19,000.00.

AMENDED MOTION CARRIED

Mr. Hartnett explained that, so the townspeople would know in advance in order to arrange schedules and baby sitters where necessary, it was intended, if no objections, to continue Town Meeting to Tuesday, April 12th, Tuesday, April 19th (Monday being a holiday), Monday, April 25th and Tuesday, April 26th, with sessions being adjourned between ten and eleven each night, depending on when an article finished. Since at this point, Article 11 was completed and Article 12 is quite lengthy, he would like to adjourn the meeting at this time.

Motion was made by Robert Hartnett, and seconded, to adjourn the Annual Town Meeting until Tuesday, April 12th at 7:30 P.M.

MOTION CARRIED

Meeting was adjourned at 10:33 P.M.

Respectfully submitted,

KATHLEEN M. SANDLAND
Town Clerk

KMS/j

Tape recording of these minutes is on file.

The second session of the Annual Town Meeting was called to order at 7:40 P.M. on Tuesday, April 12, 1988 in the auditorium of the Wood School on South Street, with a total of eighty four registered voters checked in for the evening.

Bounds of the hall for voting purposes were to be the chairs on the floor of the auditorium, all other persons to be seated in the bleachers. All other rules remained the same as for the previous session, and Ballot Box Officers, if needed, would again be Mrs. Sandland and Mrs. Clarke.

Counters appointed to the Moderator's left were Keith Grant and Robert Bedard; to the Moderator's right, Paul Spadoni and Patricia Walls.

Ms. Mason asked if there were any persons needing permission to speak other than those mentioned at last session, and reply was negative.

ARTICLE 12: Motion by Robert Hartnett, seconded by Deborah Gard to accept Article 12 as written, with the following amendments:

Question was raised by Mr. Bona about the classification of "Senior Acct/Clerk" under Section F-CLERICAL, as to whether it was a new position. Mr. Hartnett replied that it was a new classification, but that there was no one in the position at the present time, and would not be until after July 1, 1988.

Mrs. Parker asked if this position would be available to other offices or just the Selectmen's office.

(continued on next page)

Mr. Hartnett stated that at this time the intent was for the Selectmen's Office.

Mr. Clarke asked if there was a job description for this position, and if so could it be read. Mr. Hartnett read job description, and copy is attached to these minutes.

ARTICLE 13: Motion made by David Lomasney and seconded to dispense with the reading of Article 13.

SO VOTED

Motion by Gene Alsworth, seconded by Virginia Silveira--the Finance Committee recommends and I so move that the Town vote to raise and appropriate or transfer from available funds such sums of money as may be required to defray Town charges for the financial year beginning July 1, 1988, and expressly for the following purposes to wit:

SO VOTED

ARTICLE 32: Motion by Michael Lee, seconded by Virginia Silveira, to see if the Town will vote to accept an Equal Educational Opportunity Grant for Fiscal Year 1989 in the amount of \$19,435.00 under the provisions of General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985. Said grant shall be expended by the School Committee for direct service expenditures with funds provided solely by the Commonwealth.

SO VOTED

ARTICLE 33: Motion by Virginia Silveira, seconded by Pat Francomano, to see if the Town will vote to accept the Fiscal Year 1989 Professional Development Grants for Plainville Public School Teachers pursuant to Chapter 188, Section 13, of the Acts of 1985. Said Professional Development Grants will only be offered provided funding is distributed solely by the Commonwealth for that purpose.

Superintendent Cinelli explained that funding is not available and urged withdrawal of this motion. Ms. Toosley suggested that it would be easier to vote on the article and vote it down.

MOTION DEFEATED

ARTICLE 34: Motion by Bruce Howell, seconded by Pat Francomano--the Finance Committee recommends, and I so move, that the Town vote to raise and appropriate the sum of \$7,500.00, for the Town's share of Medicare Hospital Insurance, as required by Federal Law, such sum to be expended under the direction of the Town Treasurer, such monies to come from taxation.

MOTION CARRIED

ARTICLE 35: Motion by George Brown, seconded by Patricia Walls, to see if the Town will vote to accept the provisions of Section 7A of Chapter 32B of the Massachusetts General Laws. This article will permit the Town to pay a subsidiary or additional rate in addition to the payment of fifty percent of a premium for contributory group life and health insurance for employees in the service of the town, and vote to pay 90% of said premium.

Ms. Gard stated that she felt this would set a precedent and that this should be a bargaining issue.

Motion by Deborah Gard, seconded by Frank DeVecchio to table this motion.

The Fourth Session of the Annual Town Meeting was held in the auditorium of the Beatrice H. Wood School on Monday, April 25, 1988. Meeting was called to order at 7:50 P.M. by Moderator Gayle Mason, having determined that a quorum was present. A total number of seventy five voters was checked in for the evening.

The same bounds and rules of conduct were in force for this meeting as for previous sessions. Mrs. Sandland and Mrs. Clarke were appointed Ballot Box Officers in the event of a ballot vote.

Counters appointed to the Moderator's left were Celine Hassell and Robert Bedard; to the Moderator's right, Paul Spadoni and Patricia Walls.

ARTICLE 45: Motion by Michael Lee, seconded by Edwin Harrop--the Finance Committee recommends, and I so move that the Town vote to transfer from available funds the sum of \$15,000.00, to fund a Water Systems Leak Detection Study, such sum to be spent under the direction of the Water Commissioners, such monies to be transferred from 1989 Water Revenue.

MOTION CARRIED

ARTICLE 46: Motion by Pat Francomano, seconded by Michael Lee--the Finance Committee recommends, and I so move that the Town vote to raise and appropriate the sum of \$800,000.00, to construct a new well off George Street, such sum to be spent under the direction of the Water Commissioners, and to authorize the Water Commissioners to make applications for any State and Federal Grants and reimbursements as may be available, and to raise this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow the sum of \$800,000.00, under and pursuant to Chapter 44, Section 7(3) of the General Laws, or any other enabling authority, and to issue bonds or notes for the Town therefore.

Barbara Toosley had several questions which were addressed, and a copy of these questions is attached to the original minutes.

Following discussion, a standing vote was taken, as a 2/3 vote is required on a borrowing article. Result of vote: Yes 60 No 1

MOTION CARRIED

ARTICLE 47: Motion by Frank DelVecchio, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to raise and appropriate the sum of \$1,350,000.00, to fund the design and construction of a Water Treatment system for Wells #1, #2 and any future George Street Municipal Water Wells, such sum to be spent under the direction of the Water Commissioners, and to authorize the Water Commissioners to make applications for any State and Federal Grants and reimbursements as may be available, and to raise this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow the sum of \$1,350,000.00, under and pursuant to Chapter 44, Section 7(3), of the General Laws, or any other enabling authority, and to issue bonds or notes for the Town therefore.

Mrs. Toosley had several questions which were addressed on this article, and a copy of said questions is attached to the original minutes.

There was considerable discussion on this article, and Patrick Hughes of

Camp Dresser & McKee responded to various questions on this article, among which was the question of the dollar impact of the Water Treatment System on the tax rate. Mr. Hughes stated that it should amount to \$9.52 per thousand dollars valuation.

Motion made by Richard Silveira, seconded by Wallace Mathews to amend the motion by inserting "that the maturing debt and interest payments for this bonding be funded from Water Revenue".

Question called, after considerable discussion, by Pat Francomano, and seconded by Virginia Silveira. Clarification was requested and given that this amendment would not jeopardize the opportunity for grants.

AMENDMENT LOST

Vote was questioned. Result of standing vote: Yes 12 No 50
AMENDMENT DEFEATED

Returning to the original motion, Mr. Silveira had a question on the Section of Mass General Laws, as to whether or not the funding was limited to Water Department Revenue.

Moderator declared a recess at 8:58 to allow Town Counsel Maureen Lee to review the section in question. Meeting reconvened at 9:20.

Attorney Lee ruled that money did not have to be limited to Water Department Revenue.

Question was called by Frank Grzenda, and seconded. Vote on calling the question: Yes 54 No 3 QUESTION CALLED

Robert Bedard called for a quorum count. Ms. Mason asked that those who had abstained from the previous vote please stand. Count showed 10 had abstained, which added to the vote taken on the previous call brought total number of voters to 67, so the quorum was maintained.

Vote on original motion: Yes 54 No 5 MOTION CARRIED

ARTICLE 48: Motion by Patricia Walls, seconded by Wallace Mathews--I move that the Town vote to authorize the Board of Selectmen to petition the Great and General Court of the Commonwealth of Massachusetts to allow for the recall of any holder of an elective office, copies of the Recall Legislation to be accepted as printed and made available.

SO VOTED

(a copy is attached to the minutes of the printed copies that were made available to the voters.)

ARTICLE 49: Motion by Edwin Harrop, seconded by Joanne Hastings that Article 49 be accepted as read--to see if the Town will vote to amend Article III the Sewer Use By-Law, as follows: Section 17: License for Drain Layers. All Drain Layers shall obtain a license from the Board prior to performing any work in the Town. All licenses shall be issued for a one year period with renewal required on January 1 of each year. In applying for a license, the Drain Layer shall provide all information

required by the Board including a statement that the licensee will supervise and be responsible for all work performed under the license. (the remainder of Section 17 will not change). Section 18: Licensee not to allow use of name by another. No person duly licensed to construct Building and other private Sewers and make connections with Public Sewers shall allow his name to be used by any other person, either for the purpose of obtaining permits or doing any work under his license. All Building Sewer installation work shall be performed by Drain Layers licensed by the Board.

NOTE: the purpose of the change to Section 17 to remove the requirements that Drain Layers also be "licensed to perform blasting in the Commonwealth," and the change to Section 18 is to remove the requirements "applicants for permits must be Drain Layers licensed in Plainville."

(2/3 vote required) Result of vote: Yes 58 No 0

ARTICLE 52: Motion by Michael Lee, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to accept Article 52 as written.

Result of standing vote: Yes 56 No 0 MOTION CARRIED

ARTICLE 53: Motion by Michael Lee, seconded by Gene Alsworth--the Finance Committee recommends, and I so move, that the Town vote to accept Article 53 as written.

Question raised as to what committee the article was referencing, and it was stated that this section refers to the Finance Committee. However, in order to make it clear to everyone, an amendment was offered as follows:

Motion by Michael Lee, seconded by Virginia Silveira to amend Section 3.4 of Chapter I of the Town By-Laws to read as follows:

3.4 For the purpose of transacting its business, a quorum of the Finance Committee shall consist of four (4) members of the Committee, exclusive of the Chairman of the Board of Selectmen and the Town Treasurer. The Chairman of the Board of Selectmen and the Town Treasurer shall be non-voting members of this Committee.

62-40)

AN ACT AUTHORIZING THE TOWN OF PLAINVILLE TO RECALL ELECTED OFFICIALS.

Section 1. Any holder of an elective office in the town of Plainville may be recalled, and removed therefrom by the qualified voters of said town as herein provided.

Section 2. Any qualified voter of the town of Plainville may file with the town clerk of said town an affidavit containing the name of the officer sought to be recalled and a statement of the grounds of recall. Said town clerk shall thereupon deliver to the voter making such affidavit a sufficient number of copies of petition blanks demanding such recall, printed forms of which he shall keep on hand. The blanks shall be issued by the town clerk with his signature and official seal attached thereto; they shall be dated and addressed to the selectman of said town; shall contain the name of the person to whom issued, the number of blanks so issued, the name of the person sought to be recalled, the grounds of recall stated in said affidavit, and shall demand the election of a successor to such office. A copy of the petition shall be entered in a record book to be kept in the office of the town clerk. The recall petition shall be returned and filed with said town clerk on or before the first workday following twenty days after the filing of the affidavit. Said petition before being returned and filed, shall be signed by ten per cent of the registered voters in said town and to every signature shall be added the place of residence of the signer, giving the street and number.

The said recall petition shall be submitted, at or before three o'clock post meridian of the Monday preceding the day on which it must be filed, to the registrar of voters in said town, and the registrars shall forthwith certify thereon the number of signatures which are the names of voters of said town.

Section 3. If the petition shall be found and certified by said town clerk to be sufficient, he shall submit the same with his certificate to said selectmen without delay and said selectmen shall forthwith give written notice to officer against who recall is sought of the receipt of said certificate and shall, if the officer does not resign within five days thereafter, thereupon order an election to be held on a Tuesday

fixed by them not less than sixty days nor more than ninety days after the date of the town clerk's certificate that a sufficient petition is filed; provided, however, that if any other town election is to occur within one hundred days after the date of said certificate, the selectmen may, in their discretion, postpone the holding of said recall election to the date of such other election. If a vacancy occurs in said office after a recall election has been so ordered, the election shall nevertheless proceed as in this section provided.

Section 4. Any officer sought to be recalled may be a candidate to succeed himself and, unless he requests otherwise in writing, said town clerk shall place his name on the official ballot without nomination. The nomination of other candidates, the publication of the warrant for the recall election, and the conduct of the same, shall be in accordance with the provisions of law relating to elections, unless otherwise provided in this act.

Section 5. The incumbent shall continue to perform the duties of his office until the recall election. If then re-elected, he shall continue in office for the remainder of his unexpired term, subject to recall as before, except as provided in section seven. If not re-elected in the recall election, he shall be deemed removed upon the qualification of his successor, who shall hold office during the unexpired term. If the successor fails to qualify within five days after receiving written, certified notification of his election, the incumbent shall thereupon be deemed removed and the office vacant.

Section 6. Ballots used in a recall election in said town shall submit the following propositions in the order indicated:

For the recall of (name of officer)

Against the recall of (name of officer)

Immediately at the right of each proposition there shall be a square in which the voter, by making a cross mark (X) may vote for either of such propositions. Under the proposition shall appear the word "Candidates" and the direction "Vote for one" and beneath this the names of candidates nominated as hereinbefore provided.

If a majority of the votes cast upon the question of recall is in the affirmative, the candidate receiving the highest number of votes shall be declared elected. If a majority of votes on the question is in the negative, the ballots for candidates need not be counted.

Section 7. No recall petition shall be filed against an officer of said town within three months after he takes office, nor in the case of an officer subjected to a recall election and not removed thereby, until at least six months after that election.

Section 8. No person who has been recalled from an office in said town or who has resigned from office while recall proceedings were pending against him, shall be appointed to any town office within two years after such removal by recall or resignation. This section, however, shall not preclude any person from running for elected office within said town.

Section 9. This act shall be submitted for acceptance to the voters of the town of Plainville at its next annual town meeting in the form of the following question which shall be placed on the official ballot to be used for the election of town officers at said meeting:

"Shall an act passed by the general court in the year nineteen hundred and eighty-eight entitled "An Act authorizing the town of Plainville to recall elected officials be accepted?" If a majority of the votes in answer to said question is in the affirmative, then this act shall thereupon take full force and effect in the town of Plainville but not otherwise. At any time except as herein provided after the expiration of six years from the date on which this act is accepted, and not less than ninety days before the date of an annual town election, a petition signed by not less than fifteen per cent of the registered voters of the town may be filed with the selectmen, requesting that the question of revoking the acceptance of this act be submitted to the voters. Thereupon the selectmen shall cause to be printed on the official ballot to be used for the election of town officers at the annual town election next following the filing of such a petition the following question: "Shall the acceptance by the town of Plainville of an act passed by the general court in the year nineteen hundred and eighty-eight entitled "An Act

PERMANENT BUILDING COMMITTEE
1988 RECOMMENDATIONS

This report summarizes the items the Permanent Building Committee considered over the past eight months, as well as provides perspective on the rationale for the Articles submitted on the Annual Town Warrant for 1988.

The Committee obtained extensive information, primarily through surveys of the Town Department Heads and the Town Hall staff, which included the condition of the building(s), storage, need for expansion and new facilities, to name a few.

The Permanent Building Committee has interpreted their primary responsibilities, as outlined in the Town Meeting Article, to investigate the space requirements of the various town departments, evaluate these needs and prioritize these needs. In view of the scope of the undertaking of the Committee, we believe that continuing the Committee in the present format with elected officials is important to maintain the continuity of pursuing the goals of the Committee.

The Committee members recommend, in accordance with Massachusetts regulations and recommendations contained in Designing and Constructing Municipal Facilities: Legal Requirements, Recommended Practices, Sources of Assistance, published by the Office of the Inspector's General, the Town vote to appropriate \$6,000.00 to be used to conduct a feasibility study of the Town buildings and their need for renovation or replacement.

A majority of the surveys pointed to storage as a major problem. Although a formal recommendation is not presented on the Warrant for this fiscal year, the Committee has determined that an innovative solution must be reached. The Committee will review microfilming, present space allocation and leased space for storage over the next year to address this issue.

In addition, it's been our experience in attempting to obtain information, there is a need to create a focal point for the gathering of information and the coordinating of the town departments as related to such matters as growth, building maintenance and repair, short and long term physical plant needs and the daily coordination of municipal services. We, therefore, recommend that this position be created to gather and analyze data and provide to the Board of Selectmen impact statements and recommendations.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

MONDAY, APRIL 11, 1988

at eight o'clock in the evening, then and there to act on the following articles, viz:

ARTICLE 1:

To see if the town will raise and appropriate or appropriate by transfer the sum of \$20000 to fund additional costs of Snow Removal during FY88, or do or act in any manner relative thereto.

ARTICLE 2:

To see if the Town will raise and appropriate or appropriate by transfer the sum of \$500. to fund additional costs of the Dog Officer account during FY88, or do or act in any manner relative thereto.

ARTICLE 3:

To see if the Town will vote to raise and appropriate or transfer from the sum of \$1500 to fund the cost of an audit of Federal and State funds to meet the requirements of the Department of Education, or do or act in any manner relative thereto.

ARTICLE 4: To see if the Town will vote to raise and appropriate or appropriate by transfer the sum of \$5,000. to fund repair to Fire Department ladder truck and to the boiler at the Police/Fire Station, or do or act in any manner relative thereto.

ARTICLE 5: To see if the Town will vote to raise and appropriate or appropriate by transfer \$25,000. to fund additional cost of Group Medical Insurance during FY88, or do or act in any manner relative thereto.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$5,000. to fund cost of roof repair at the Town Office Building, or do or act in any manner relative thereto.

ARTICLE 7: To see if the Town will vote to raise and appropriate or appropriate by transfer the sum of \$2,500. to fund the cost of replacing an engine in a Water Department vehicle, or do or act in any manner relative thereto.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$5,000 for the Police Department Expense Account for FY88, or do or act in any manner relative thereto.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$4,000 for the Treasurer's Expense Account for FY88, or do or act in any manner relative thereto.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$1,000 for the Council on Aging Expense Account for FY88, or do or act in any manner relative thereto.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$100,000. to locate and repair leaks presently existing in the Everett W. Skinner Swimming Pool, or do or act in any manner relative thereto.

And you are directed to serve this Warrant by posting copies thereof in six (6) public places, in said Town, fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

The Special Town Meeting of the Town of Plainville was called to order at 8:00 P.M. in the auditorium of the Wood School on South Street.

The bounds of the hall, counters and rules remained the same as for the Annual Town Meeting.

ARTICLE 1: Motion by Michael Lee, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$7,000.00, for the purpose of funding the additional cost of Snow Removal during FY88, such sum to be expended under the direction of the Highway Superintendent, such monies to be transferred from Free Cash.

UNANIMOUS VOTE

ARTICLE 2: Motion by Virginia Silveira, seconded by Bruce Howell--the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$500.00 for the purpose of funding the additional cost of the Dog Officer account during FY88, such sum to be expended under the direction of the Dog Officer, such monies to be transferred from Free Cash.

UNANIMOUS VOTE

ARTICLE 3: Motion by Robert Hartnett, seconded by Deborah Gard--I move that the Town vote to transfer the amount of \$1,500. from the FY88 Norfolk County Retirement account to fund the cost of an audit of Federal and State funds to meet the requirements of the Department of Education.

Mr. Francomano asked if this is an annual audit, and was it unexpected? Mr. Hartnett replied it was not an annual, and it was unexpected.

MOTION CARRIED

ARTICLE 4: Motion by Frank DelVecchio, seconded by Patrick Francomano, the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$4,200.00 for the purpose of funding the cost of repairs to the Ladder Truck for FY88, such sum to be expended under the direction of the Fire Chief, such monies to be transferred from Free Cash.

UNANIMOUS VOTE

ARTICLE 5: Motion by Bruce Howell, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$22,500.00 for the purpose of funding the additional cost of Group Medical Insurance during FY88, such sum to be expended under the direction of the Board of Selectmen, \$15,515.00 to be transferred from 1988 Norfolk County Retirement Account, and \$6,985.00 to be transferred from Free Cash.

UNANIMOUS VOTE

(see correction to this article after Article 9)

ARTICLE 6: Lost for lack of a motion.

ARTICLE 7: Lost for lack of a motion.

ARTICLE 8: Motion by Patrick Francomano, seconded by Virginia Silveira--the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$5,000.00 for the purpose of funding the additional cost of Police Department expenses during FY88, such sum to be expended under the direction of the Chief of Police, such monies to be transferred from the 1988 Sewer Inflow and Infiltration Study Account.

Question was raised about taking money away from funding for the Study, but it was explained that the money was over what was required, and it did not jeopardize the grant in any way.

UNANIMOUS VOTE

ARTICLE 9: Motion by Virginia Silveira, seconded by Bruce Howell--that the Town vote to transfer from available funds the sum of \$4,000.00, for the purpose of funding the additional cost of the Town Treasurer Expenses during FY88, such sum to be expended under the direction of the Town Treasurer, such monies to be transferred from the 1988 Sewer Inflow and Infiltration Study Account.

UNANIMOUS VOTE

Michael Lee requested that we refer back to Article 8, because the amount in this article was read incorrectly by the Moderator.

Motion by Michael Lee, seconded by Virginia Silveira, to change the amount in Article from \$22,500. as read, to the correct amount of \$23,500., all other wording to remain the same.

SO VOTED

ARTICLE 10: Motion by Michael Lee, seconded by Gene Alsworth--the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$500.00 for the purpose of funding the additional cost of Council on Aging Expenses during FY88, such sum to be expended under the direction of the Council on Aging, such monies to be transferred from Free Cash.

UNANIMOUS VOTE

ARTICLE 11: Motion by Barbara Toosley, seconded by Cheryl Follett--the Park Commission recommends and I so move to see if the Town will vote the sum of \$40,000.00 to locate leaks presently existing in the Everett W. Skinner Pool, repair cracks in the pool and put a finish on the pool, such funds to come from the 1988 Tipping Fee.

Considerable discussion followed, with some voters feeling the pool should be repaired, while others felt monies should not be spent until the problem had really been located.

Question was called by Donald McAlpine, and seconded. Vote on calling question: Yes 49 No 35. (2/3 vote required) Debate continued.

Motion by William Clarke, seconded by Wallace Mathews--I move that the Town vote to raise and appropriate the sum of \$10,000. to locate and estimate the cost to repair the existing leaks in the Everett W. Skinner Swimming Pool. Mr. Clarke stated verbally that the money was to come from tipping fees.

Park Commissioners stated that they were in favor of this motion.

Question called and seconded. Vote: Yes 93 No 3.

Moderator called for vote on the amendment, but it was determined that language needed to be clarified, so a recess was declared at 9:18 for this purpose. Meeting reconvened at 9:28.

Motion by William Clarke, seconded by Paul Spadoni--to amend the motion by substituting "the Town vote the sum of \$10,000. for an engineering

study to locate the leaks in the Everett W. Skinner Pool and provide sufficient drawings and specifications to allow the Park Commission to solicit bids for these repairs, funds to come from 1988 Host Community fee and to be spent under the direction of the Park Commissioners".

Point of order was called, in that there was a motion already on the floor. Mr. Clarke agreed to rescind his earlier motion. Vote on rescinding this motion was 85 in favor, none opposed.

SECOND AMENDMENT PASSED

VOTE ON MOTION AS AMENDED CARRIED

All business of the Special Town Meeting having been completed, motion was made and seconded to adjourn the meeting. SO VOTED

Special Town Meeting was adjourned at 9:37 P.M.

Respectfully submitted,

MINUTES OF SPECIAL TOWN MEETING--MONDAY, JUNE 13, 1988

A Special Town Meeting for the Town of Plainville was held in the auditorium of the Beatrice H. Wood School on Monday, June 13, 1988. A total number of seventy four voters was checked in for the evening.

In the absence of the Moderator, who had a conflict in schedule, the meeting was called to order at 7:40 P.M. by Town Clerk Kathleen Sandland, who asked for nominations from the floor for a temporary moderator.

Motion made by Patricia Stewart, seconded by Paul Spadoni to nominate Kathleen Parker as Temporary Moderator.

SO VOTED

Mrs. Parker stated rules of the meeting as follows: only voters registered by June 3rd were eligible to vote at this town meeting, and all registered voters should be seated in the chairs on the floor of the auditorium, all others taking seats in the bleachers. Counters appointed to the Moderator's left were Geraldine Perry and Kenneth Cox; to the Moderator's right, Patricia Walls and Joanne Hastings. Ballot Box Officers in the event of a ballot vote were to be Mrs. Sandland and Mrs. Clarke. All discussion should be directed through the Chair, and all motions and amendments must be in writing. Mrs. Parker read the warrant.

Motion by Ray Felix, seconded by Virginia Silveira, to allow Richard Schoenhardt, Architect, to speak at this Town Meeting.

Having determined that there were other persons wanting to speak, this motion and second were withdrawn.

Motion by Ray Felix, seconded by Virginia Silveira to allow Richard Schoenhardt, Attorney Maureen Lee, Patrick Hughes of CDM, James Marshall and Bill Fasulo to speak at this Town Meeting.

SO VOTED

ARTICLE 1: Motion by Frank DelVecchio, seconded by Virginia Silveira, the Finance Committee recommends and I so move, that the Town vote to transfer from available funds the sum of \$5,000.00 for the purpose of funding the cost of Hepatitis-B shots for the Police & Fire Departments, such sum to be expended under the direction of the Board of Selectmen, \$3,000.00 to be transferred from 1988 Inflow and Infiltration Study, and \$2,000.00 to be transferred from the 1986 Highway Communication Wire Account.

Paul Spadoni questioned why article had not been supported at Annual Town Meeting, and was being supported now. Ms. Gard explained that at the time of the Annual, not enough information was available as to the effectiveness of the vaccine, and additional information has now become available.

MOTION CARRIED

ARTICLE 2: Motion by Bruce Howell, seconded by Michael Lee, the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$3,000.00, for the purpose of funding the cost of 1988 Insurance Account, such sum to be expended under the direction of the Board of Selectmen, \$3,000.00 to be transferred from the 1988 Inflow and Infiltration Study.

ARTICLE 5: Motion by Patrick Francomano, seconded by Virginia Silveira, the Finance Committee recommends, and I so move, that the Town vote to transfer from available funds the sum of \$150,000.00 for the purpose of funding the cost of redesigning and constructing a new well, located off West Bacon Street, presently known as Well #3, such sum to be expended under the direction of the Water Commissioners; \$25,000.00 to be transferred from Article 50, passed April 28, 1986 at the Fourth Session of the Annual Town Meeting; and \$125,000.00 to be transferred from Article 15, passed April 13, 1987, at the Special Town Meeting, before the Annual Town Meeting.

UNANIMOUS VOTE

ARTICLE 6: Motion by Virginia Silveira, seconded by Edwin Harrop, the Finance Committee recommends, and I so move, that the Town vote to raise and appropriate the sum of \$100,000.00 for the purpose of conducting an updated study of the existing Cargill Pond Test Well Site as originally conceived in the report by Camp Dresser & McKee dated February 1978, such sum to be spent under the direction of the Water Commissioners, and to authorize the Water Commissioners to make applications for any State and Federal Grants and reimbursements as may be available, and to raise this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow the sum of \$100,000.00, under and pursuant to Chapter 44, Section 8(5) of the General Laws, or any other enabling authority, and to issue bonds or notes for the Town therefore.

Mr. Clarke questioned monies for updating study vs. designing new well in the previous article.

Attorney Lee stated that Section of General Law should be changed to 8(3A).

Motion made by Virginia Silveira, seconded by Robert Hartnett to amend Article 6 by substituting Section 8(3A) for Section 8(5).

AMENDMENT PASSED

There followed considerable discussion on several questions on article, with comments by Frank Grzenda, Paul Spadoni, Joseph Grzenda, Tom Watkins, Barbara Toosley and others.

Motion by Russell Babbitt, seconded by Patricia Walls--I move to amend the motion on the floor to include the words "and or sites".

Following a discussion of clarification of the wording of the amendment, the amendment and second were withdrawn.

Motion by Russell Babbitt, seconded by Robert Hartnett--I move to amend the motion on the floor to add the words "and/or other new sites".

ARTICLE 7: Motion by Barbara Toosley, seconded by Donald McAlpine--I move that the Town vote, in lieu of appropriating the funds requested under this article for the funding of the school year portion of the recreation program, to accept the provisions of Chapter 44, Section 53D

of the General Laws, in order to permit the establishment of a revolving fund in the Town Treasury for the deposit of the receipts received in connection with the conduct of self-supporting recreation and park services of the Town and the subsequent expenditure of said funds without further appropriation.

SO VOTED

ARTICLE 8: Motion by Donald McAlpine, seconded by Eugene Alsworth, the Park Commission recommends that the sum of \$700. for the purchase of office fixtures, tables, chairs, floor tiles & carpets, be transferred from the 1986 Highway Communications Wire Account, such sum to be expended under the direction of the Park Commissioners.

UNANIMOUS VOTE

ARTICLE 9: LOST FOR LACK OF A MOTION.

ARTICLE 10: Motion by Michael Lee, seconded by David Lomasney--the Finance Committee recommends, and I so move, that the Town vote to raise and appropriate the sum of \$300,000.00, to additionally fund the construction and furnishing of the new Library, and to authorize the Library Building Committee to make applications for any State and Federal Grants and reimbursements as may be available, and to raise this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow the sum of \$300,000.00, under and pursuant to Chapter 44, Section 7(3) of the General Laws, or any other enabling authority, and to issue bonds or notes for the Town therefore.

Motion by Robert Loew, seconded by Barbara Lee, I move to amend Article 10 to read that the Town vote to transfer from available funds, FY1989 Host Community Fees, received or to be received, the sum of \$250,000.00 to fund the construction and furnishing of the new library, said funds to be expended under the direction of the Library Building Committee.

Considerable discussion followed relative to spending of host fees not yet received. Question raised as to cost of borrowing, and whether or not monies should be spent on a building that could perhaps not be used for a year or more, depending on the water situation.

Question called to stop debate on the amendment. In favor of calling the question 56, opposed 1... Question called.

AMENDMENT PASSED

ARTICLE 10 PASSED AS AMENDED

Motion made and seconded to adjourn meeting. SO VOTED

Mr. Hartnett thanked voters for coming out on such a hot night.

Mrs. Parker declared the Special Town Meeting adjourned at 9:43 P.M.

Respectfully submitted,

KATHLEEN M. SANDLAND

To the Honorable Board of Selectmen:

During Fiscal Year 1988 the Treasurer's Office received and accounted for \$ 9,479,679.23 in Regular Cash Receipts and \$ 134,125.93 in Special Cash Receipts. In addition, we paid out treasury warrants in the amount of \$ 9,445,486.81 in Regular Cash and \$ 27,795.00 in Revenue Sharing Funds. We processed Special Duty Payroll requests in the amount of \$ 110,193.67, of which \$ 5,075.00 were fees paid by the contractors of the special duty details to the town.

The two most significant changes in the Town's cash position resulted from monies collected from Laidlaw Waste Systems, Inc. First, the company turned over the " Host Community Fees " on a monthly basis, paying the town \$1.59 per ton for each ton of refuse it received at the landfill. For the fiscal year, these fees amounted to \$ 393,988.14 and became part of our general fund cash flow. In addition, the town received from Laidlaw's Escrow agent all monies paid by the company and all accrued interest from the company's mortgage on the Belcher Street property acquired from the town at the June 19, 1984 Special Town Meeting. This money is set aside in a high-yielding mutual fund account which is part of a mutual fund pool started by the State Treasurer and administered by Fidelity Service Co. Laidlaw continues to make quarterly payments directly to the town on this mortgage.

We issued short-term debt in the amount of \$ 900,000.00 during fiscal year 1988. On October 1, 1987 we borrowed \$ 500,000.00 in Tax-Anticipation Notes at a rate of 4.78% from State Street Bank and Trust. These notes were paid off on January 15, 1988. Also, we borrowed \$ 400,000.00 in State-Aid Anticipation Notes at a rate of 5.45% from BayBank, S.E. These notes were anticipating state receipts from the Sewer project grants and were paid off on May 19, 1988. We also retired \$ 135,000.00 in long-term debt obligations.

We instituted a new payroll system which we have worked with for one full calendar year. While it is more costly than the previous system, both the School Department secretary, Margaret Smith, and I feel it is much more efficient and the service we receive is top rate.

This report includes a breakdown of the Treasurer's appropriations; a reconciliation of Treasurer's Cash by bank at June 30, 1988; a listing of Fund Balances at June 30, 1988; an itemized list of all cash receipts processed during the fiscal year; and as itemized list of the town's Maturing Debt Schedule.

Respectfully submitted,

Kathleen A. Parker 1-10-88

Annual Report
of the
SCHOOL COMMITTEE
OF
PLAINVILLE, MASSACHUSETTS

For The Year Ending June 30
1988

REPORT OF THE SCHOOL COMMITTEE

The results of the annual elections in April saw Mrs. Kathleen Roach and Mr. Alan Lovely re-elected to new three-year terms. At the annual reorganization meeting, Mr. Neil Loew was elected Chairman, Mr. Alan Lovely was elected Vice Chairman, and Mrs. Patrice O'Neil was elected Local Representative to the King Philip Regional School District.

The Committee would like to acknowledge the retirements of Mrs. Jeannette Pray, after twenty-nine years of service as School Nurse, and Mrs. Barbara Fluck, after twenty years of service as a teacher. The Committee, in addition, accepted resignations from Mr. Thomas Fallon, Coordinator of Special Education/School Psychologist; Mrs. Karen Saucier, grade three teacher; and Mrs. Cathryn Harvey, Vocal Music teacher. All of the above served the Plainville School Department with years of outstanding service. We thank you for your past service and wish you all the best in the future.

The Committee made many important decisions during the 1987/88 school year. Some will have a longstanding effect and impact on the Town of Plainville. The following are some of those decisions:

- 1) The Committee would like to thank the Library Trustees for the construction of such a lovely edifice as our new municipal library. The Wood School children and faculty await in great anticipation the date of its grand opening. We thank you for a job well done and feel honored to have played a small part in this accomplishment.
- 2) The Committee approved a new Language Arts curriculum produced by McDougal Littell & Co. as well as a new Spelling curriculum by Scribner Laidlaw, Inc. The Committee also approved a new Handwriting program by Zaner-Bloser, Inc. These adoptions complete the first total revisions, system-wide, of our curriculums. As of this date no curriculum in the school system is over five years in age.
- 3) While discussing curriculum, it should be noted that the Committee approved the School Improvement Councils recommendation to purchase a new comprehensive health education program. This new K-6 program entitled Health: Focus on You by Charles Merrill, Inc. of Columbus, Ohio is in place and operating. The entire program was financed through state grant funds.

Another curriculum addition adopted by the Committee was financed by the P.T.O. This was a nutrition education curriculum complete with individual classroom kits. This program was sponsored by the New England Dairy and Food Council. Thank you P.T.O.

- 4) The 1987/88 year was one of negotiations. The Committee, after many meetings and hours of collective bargaining is happy to report that three-year contracts have been agreed upon with the Plainville Education Association, the Custodial and Maintenance Union, and the Superintendent of schools. These contracts run through August of 1991 and insure a smooth delivery of educational services without labor/management disputes.
- 5) While on the topic of negotiations and collective bargaining, it should be noted that the Committee and Plainville Education Association were able to successfully negotiate the Horace Mann Grant monies. This resulted in two very successful programs.
 - a) A teacher/parent cooperative planning program in grades one and two by Mrs. Marilyn Cady, Mrs. Margaret Deeney, and Mrs. Alice Edwards.
 - b) A monthly reading activities resource package for teachers and students by Mrs. Margaret Hoagland.

Hopefully, there will be other Horace Mann Grants awarded for the 1989/90 school year.

- 6) In order to keep the cafeteria self-supporting, the Committee found it necessary to increase the cost of all lunches and milk prices. Student lunch increased from .65 to .80 and milk from .20 to .25.
- 7) The Committee received its new policy manual in February. This document produced by the Massachusetts Association of School Committees was eighteen to twenty months in the making and will be updated annually by M.A.S.C. A copy of said document is available at each school.
- 8) The Committee adopted a new policy concerning Early Retirement Incentive. This policy is restricted to teachers with twenty years accumulated teaching time in the Plainville school system. It offers a monetary stipend and a percentage of unused accumulated sick leave to be joined together in a lump sum package for the qualified retiree. This policy expires in three years.
- 9) In April the Committee was notified by the Administration of a tremendous influx of kindergarten students for September. The current kindergarten was

in the high sixties and the new census was showing one hundred and eleven potential kindergartners. This information caused the Committee to increase kindergarten classes by one and decrease grade one classes by one.

With no available room remaining in the school system, the Committee has partitioned the Permanent Municipal Building Committee to begin the process for more classroom space by additions or a new school building.

If needed classrooms are not a reality by September of 1990, the Committee and Administration believe that overcrowding will necessitate portable classrooms, or possible classroom rentals, if available, or double sessions, or extremely high student/teacher ratios. Any of the above could become a reality. The Committee needs help and needs it now.

The above are considered major decisions, accomplishments, and concerns during the 1987/88 school year. The Committee would like to thank the residents of Plainville for their moral and financial support of their elementary school system.

We extend our appreciation to the Administration, Staff, and Parent Volunteers for another outstanding year. I would like to take this opportunity to thank my fellow Committee members for their dedication and hard work.

Respectfully submitted,

Neil T. Loew
Chairman
Plainville School Committee

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The 1988/89 school year started with a new Language Arts, Spelling, and Handwriting programs. After considerable research and study, your Superintendent and Curriculum Revision Committee recommended the McDougal Littell Language Arts program, the Laidlaw Spelling program, and the Zaner-Bloser Handwriting program. The Curriculum Revision Committee, headed by Mrs. Natalie Flaherty, spent numerous hours in research, workshops, conferences, etc. to come up with what we considered the best programs for the children of Plainville.

Using E.E.O.G. (Equal Educational Opportunity Grant) monies, the School System was able to replace the dishwasher at the Jackson School, increase substitute teacher pay, supplement the Coordinator of Special Education/School Psychologist's salary, and provide a secretary at the Jackson School. E.E.O.G. monies may no longer be available to Plainville in the future, since we now exceed the 85% of the State average in per pupil expenditures. However, we should continue to receive Horace Mann Grants, School Improvement Council Grants, and Governor's Alliance Against Drugs Grants.

With growing enrollments, the number of classes in grade four, five, and six had to be increased. This along with retirements and resignations has changed our faculty considerably. The new fourth, fifth, and sixth grade positions were filled by Mary Beth Holmes, Patricia Levesque, and Catherine Slobogan. The new School Nurse is Kathleen Duimet, replacing twenty-nine year veteran Jeannette Pray (retired). Ms. Cheryl Mazzeo replaces twenty year veteran Ms. Barbara Fluck (retired). Dr. Richard Cashman, returning from leave of absence, becomes our new Remedial Education instructor. Ms. Anne Dissinger joins the Special Education staff as Wood School 502.3/502.4 Resource Room teacher. Mr. David Kayata replaces Mr. Kenneth Moore (on leave of absence) as Wood School Physical Education teacher, while Ms. Barbara Murphy fills the new position of Physical Education teacher at the Jackson School.

Administratively, Mrs. Mary Sullivan Kelley was appointed the new Coordinator of Special Education/School Psychologist replacing Mr. Thomas Fallon who accepted a position with the State Department of Education, Southeast Regional Center. Ms. Kelley joins the Plainville staff from the Watertown Public Schools. She has outstanding credentials and varied Special Education experiences.

The Plainville Public Schools continues to improve service delivery by belonging to four collaboratives in the area. These collaboratives are:

- a) **The BICO Special Needs Collaborative** - running twenty programs for fifteen communities in the area of low incident special needs.
- b) **The Project SPOKE Collaborative** - running low incident special needs programs and purchasing collaborative for bulk buying (bidding) which serves general supplies, art supplies, custodial supplies, audio-visual supplies, gasoline, heating oil, and diesel

fuels. The savings from the bidding collaborative alone results in many thousands of dollars.

- c) **The Southwood Hospital Consortium on Alcohol and Substance Abuse** - runs programs for teacher training in alcohol and substance abuse. Many of our teachers have taken the CASPAR Alcohol Training Program. Our new comprehensive health curriculum was influenced by this Consortium.
- d) **The Minnesota Computer Curriculum Consortium** - has helped us to build an inventory of computer programs that can be duplicated by individual teachers. We now have an inventory of useable, quality computer programs for everyday use.

As much as collaboratives and consortiums aid us in various ways, the Plainville P.T.O. can only be described as invaluable. Year in and year out, they provide our school system with cultural programs, needed equipment, library books and programs, computer programs, and other financial and moral support. In my seven years as your Superintendent, I would estimate the dollar value of services and goods provided by the Plainville P.T.O. to be approaching one hundred thousand dollars. When discussing the Plainville P.T.O. a simple "Thank you" seems so inadequate when counting the rewards harvested by our school system due to this organization.

The School Committee adopted a new policy recommended by the School Improvement Councils regarding the number of times student progress is reported to parents. Starting September 1988, student progress in all grades will be reported four times yearly with report cards. Mid-way through the second and third marking periods, parents will receive Progress Reports. Parent conferences will be held around the fiftieth and hundreth day mark of the school year calendar.

The new state-wide Basic Skills and Assessment Testing took place on schedule. Only one student failed the basic skills test that wasn't receiving remedial or special education services previously. The Assessment Test scores equaled or surpassed the state average in every category.

Two of Plainville's finest, Mrs. Alice Edwards and Mrs. Margaret Hoagland, were involved in scoring the State writing sample. This area is covered in the Basic Skills portion of the testing.

During the 1987/88 school year, the Plainville Police Department and Plainville Education Association joined together to sponsor a Bicycle Safety Program. It took place on Saturdays and involved bicycle inspections and safety tips to all riders. Classroom instruction materials were made available to all classroom teachers.

The Wood School students were exposed to a new program sponsored by Sturdy Memorial Hospital called "Healthy Choices". The program promoted good eating habits, proper exercise, taking vital signs, and what to expect in good hospital care.

The King Philip Regional High School started a new Peer Leadership Program using high school students on the elementary level (grade 6) to provide guidance by role playing. These peer leaders covered areas of peer pressure, alcohol abuse, substance abuse, and sex. The sixth grade teachers had nothing but positive remarks for the program.

This coming year, the school system will be studying potential changes in report cards as well as upgrading our reading program.

The following cultural, extra-curricular, academic-related, and business-related programs occurred during 1987/88 school year and are planned for continuance during the 1988/89 school year.

- **Web of Life Outdoor Education Program at Sandwich, Massachusetts** - a one-week, boarding-in program for sixth graders
- **Whale Watch** - a one-day ocean trip out of Plymouth, Massachusetts for sixth graders
- **Field Days** - for all students in both schools
- **Kindergarten Talent Show**
- **A Time For Sharing** - Thanksgiving project
- **Christmas Musical Production** - at Wood School
- **Ronald McDonald Safety Show**
- **Latchkey Program** - sponsored by the Hocomock Y.M.C.A.
- **All Collaboratives and Consortiums**
- **Articulation with all parties involved in the King Philip Regional District**

In closing I would like to thank the Plainville School Committee, all school personnel, parents, and taxpayers for their support of the Public Schools during the past year.

Respectfully submitted,

Francis J. Cinelli

David Killian (Class of 1988) joined the Committee in September as a non-voting member, the first student representative to do so under newly enacted legislation.

Mrs. Shirley Larsen, Secretary to the School Committee, resigned due to a relocation. She served the District in an exemplary manner for fourteen years. She was replaced effective December 1, 1987 by Mrs. Barbara Fink.

District enrollment in fiscal 1988 totaled 1,484 compared to 1,546 in fiscal 1987. This marks the twelfth year in a row that enrollment has declined since reaching a high of 2,188 in 1975. Projections indicate a continuing decline in total District enrollment through 1991 and will occur at the Senior High as the Junior High enrollment has stabilized.

The Class of 1988 achieved a combined SAT score of 898 which was slightly below the state average of 906 and the national average of 904. A total of 144 students sat for the test in 1988 compared to 175 students in 1987. The 1988 score was 15 points lower than in 1987 and is quite significant in light of the smaller number of students who sat for the examination. Generally there is an increase in the average score as the number of students taking the examination decreases. A comparison of SAT scores for the past eleven years is as follows:

<u>Year</u>	<u>Score</u>	<u>Year</u>	<u>Score</u>	<u>Year</u>	<u>Score</u>
1988	898	1984	910	1980	874
1987	913	1983	907	1979	872
1986	874	1982	891	1978	907
1985	913	1981	876		

The Class of 1988 had 67% of its academic student go on to higher education. With respect to the vocational graduates, 64% entered the workforce and 25% continued their education.

Two additional statistics which demonstrate the value of the comprehensive programs offered at King Philip are the attendance and dropout rate. King Philip continued to rank among the top schools in the state with a daily attendance of 94% at the High School and 93% at the Junior High and a dropout rate of 2%.

The implementation of the Massachusetts Public School Improvement Act (Chapter 188 of the Act of 1985) began in fiscal 1986. During 1988, the major sections of this act affecting King Philip are summarized hereunder:

Formula Grants

- A. School Improvement Grants to provide for non-budgeted assistance were funded at \$15 per student for a total of \$24,055. Funding by the State of this grant will continue in 1989 but may be decreased to \$10 per student.
- B. The District became eligible during fiscal 1988 for an Equal Educational Opportunity Grant amounting to \$5,602 and payable in fiscal 1989. These grants are used to encourage and assist schools in increasing their per pupil expenditures. Qualification for such a grant indicates that local support is below 85% of the average spent by comparable school systems.

Testing

- A. Curriculum Assessment; testing of reading, mathematics, science and social studies at the grade 8 and 12 levels. These tests were first given in 1986 and will continue with testing biennially. The results of this second curriculum assessment testing were as follows and are compared with the State average and with similar kinds of communities (KOC) as defined by the State:

<u>Grade 8</u>	<u>KP</u>	<u>KOC</u>	<u>State</u>
Reading	1,340	1,393	1,300
Mathematics	1,350	1,402	1,300
Science	1,350	1,394	1,300
Social Studies	1,360	1,392	1,300

Grade 12 - Academic

Reading	1,340	1,383	1,300
Mathematics	1,360	1,397	1,300
Science	1,340	1,400	1,300
Social Studies	1,360	1,391	1,300

Grade 12 - Vocational

Reading	1,250	1,164	1,300
Mathematics	1,240	1,174	1,300
Science	1,200	1,188	1,300
Social Studies	1,250	1,159	1,300

B. Basic Skills; testing of ninth grade students in reading, mathematics and writing skills. The purpose of this annual test is to identify students who have not mastered the basic skills. Students who fail this test are given remedial assistance. King Philip mandates acquiring these skills as a graduation requirement. The following test results compare King Philip with the State and with similar kinds of communities (as defined by the State) in terms of the percentage of students passing:

	<u>Reading</u>	<u>Mathematics</u>	<u>Writing</u>
KP - academic	96%	96%	98%
- KOC	96	96	97
KP - vocational	86	92	78
- KOC	69	76	77
KP - District	94	95	94
- State	84	86	87

Members of the King Philip Sports Club and the King Philip Music Association are to be congratulated for their continued support. The music and sports programs receive considerable financial assistance through the efforts of these fine groups.

The Committee expresses gratitude to the residents of Plainville, Wrentham and Norfolk who supported the special town meeting articles to fund the cost of the running track and tennis courts. A special thanks is extended to the Lorusso Corporation and Bella Construction Corporation for their considerable contribution of "manpower, material and machinery".

The excess and deficiency account amounted to \$24,749 as of June 30, 1988. As a result, there is little margin for error in the budget process. Concerted efforts have been made by District Administration and the Committee to prepare realistic budgets that include the actual costs of providing education. Because education is labor intensive (comprising 70% of the gross operating budget), salary increases, alone, will exceed a "desired 2 1/2%" net assessment funding level. As a result, every effort is made to encourage members of the Finance and Advisory Boards of the regional towns to participate in the school budget process.

The five-year plan adopted in 1985 continues to provide a valuable tool for budgeting expenditures for textbooks, student supplies, equipment and repairs and maintenance. Funding of the latter item is crucial because of the aging physical plant. During the past four years, serious efforts have been made to restore funds (cut during the initial years of Proposition 2 1/2) in order to carry out preventive maintenance and make ongoing repairs.

On behalf of the Committee, I wish to thank the residents of Norfolk, Plainville and Wrentham for your support of the King Philip Regional School District. The Committee welcomes your suggestions and encourages you to attend their meetings.

Respectfully submitted,

Keith Grant, Chairman
King Philip Regional District Committee

KING PHILIP REGIONAL SCHOOL DISTRICT

Report of the Superintendent

I hereby submit to the citizens of the District, my annual report as Superintendent of the King Philip Regional School District.

Although the economy of Massachusetts is strong and the legislature is mandating greater services to the young people of our growing regional communities, the state government seems to lack the willingness or political courage necessary to deal effectively with the reality of the fiscal plight of the cities and towns and, most particularly, those that are members of regional school districts. It has become a serious educational problem because state aid to regional districts is the one significant off-set that reduces assessments to the member towns. Obviously that has an effect upon the pattern of expenditures at the town meetings which in turn affects the services offered through the school and the other town departments. Irrespective of the actions of our legislature there has never been a time when there was a greater need for highly qualified teachers, state of the art equipment, materials and supplies. Our vital needs, if not met, have serious consequences for your children. I am therefore very concerned over the impact of level funded or reduced aid to the District and towns. Although genuine financial concerns exist, we prioritize our expenditures and use them to maximize educational progress being made in a broad range of areas.

Testing in Basic Skills (individual achievement - grade 9) and Curriculum Assessment (subject matter area achievement - grades 8 and 12) have progressed extremely well and we exceed the state standards in all areas. We are dissatisfied with the results of the Class of 1988's Scholastic Aptitude Tests ("College Boards"). Although the results were at state and national norms we shall introduce changes that should yield improved results over time. Some changes are organizational, others deal with curriculum, course selections and course sequences.

State regulations and their interpretations for special needs students become more stringent and costs considerably greater each year. "Out-of-District placements" is an area of uncontrolled costs that should be reimbursed at a higher level or paid directly by the Commonwealth. The volatility of numbers and costs make budget projections, a year in advance, guesses of doubtful validity.

Our five year plan addresses the needs of an aging physical plant and equipment. If we can maintain the present annual level of maintenance funding, adjusted for increases in inflation and the construction cost index, we should be able to meet most of our needs. However, the high school is over thirty years old and the junior high school is over twenty. At these ages, in spite of progressive maintenance and repair, it is conceivable that there could be engineering or physical plant casualties beyond our financial capacity to rectify. They cannot be predicted, but certainly can occur. Similarly, the roof of the senior high school will be a problem at some point. The roof of the original building has never been replaced. The roof of the building addition is about fifteen years old. There have been ongoing repairs and there is no indication that replacement of either is imminent. However, when roofs exceed or approach the statistical end of their functional lives one cannot comfortably anticipate a longer existence.

Factory Mutual Insurance estimates the cost of replacing a building constructed in 1957 (SHS) is about 5.4 times the original cost. For the junior high school built in 1966 the multiplier is about 4.3. For the new addition to the senior high school the multiplier is about 2.8. Our facilities are very valuable therefore very expensive to replace. It is in the best interests of the District to continue the committee's policy of maintenance, repair and renovation.

The recent legislation addressing creating and maintaining a healthier working/learning environment is being implemented:

1. All asbestos tests required by AHERA have been completed and remedial activities begun. Our asbestos is confined principally to the boiler rooms and is encapsulated.
2. Lead-in-water tests will be undertaken shortly.
3. Radon testing units have been purchased.
4. Smoking and non-smoking areas have been designated as noted in the Clean Indoor Air Act.
5. Hazardous waste removal is being compiled with as specified by OSHA/EPA standards for oil, batteries, tires, metals, etc.
6. Staff "Right-to-Know" and asbestos hazards training is on-going.
7. Gym equipment is inspected annually by an outside testing firm to determine if it meets safety standards.

All of this represents new budgetary costs, but are legally required and certainly very important.

Another significant but necessary cost is that associated with staying current with the latest technology in the shops, classrooms and media centers. We are very much involved with specialized computers, VCR's, laser disc information systems, office automation, etc. We must prepare students for the technology to be met in colleges and industry.

Preparations are being made for the 1992-1993 evaluation (ten year) of the high school's programs by the New England Association of Schools and Colleges and the 1991-1992 evaluation of the vocational division by the Division of Occupational Education. Both of these require tremendous amounts of staff time and the acquisition of data that is very useful in determining curricula directions and the content of our five year plans.

The program and building administrators will discuss, in the following paragraphs, data specifically relevant to their school situations.

Senior High School - Academic Division

King Philip Regional High School is accredited by the New England Association of Schools and Colleges until 1992 when another evaluation for accreditation will be completed.

Three major accomplishments of our students, of which we are very proud, are a continuation of: one of the highest daily attendance rates in the state, a very low dropout rate and a high percentage of our graduates prepared to further their education or enter the world of work.

The main office has continued with the utilization of the IBM AT computer for student information profiles, computerization of all high school attendance reports and grade reporting for all grades. Additional information has been computerized such as the program of studies booklet and individual course outlines.

The Flexible scheduling process has allowed continuation of student involvement in the Dean Junior College Program, Southeastern Massachusetts University "Spotlight" Program, and exchange time with other colleges and universities. During the summer of 1988 a number of enrichment and remedial courses were offered during a five-week program.

The School Improvement Council (1987-1988) established by the state legislature in 1985 approved expenditures in the following areas: innovative academic programs, expanded services to students, purchase of instructional equipment, peer leadership training, cultural education programs and business and education partnership programs.

The high school welcomed two foreign exchange students in September of 1988 from the Netherlands and Spain. The foreign exchange policy allows three students to attend each year hosted by a family in the district.

The Peer Leadership program has one hundred and eighty students trained to work with other students and to present programs on substance abuse, peer pressure, smoking and school related concerns at the Junior High and district elementary school - "Kids Helping Kids".

The Language Arts Department continued with the writing skills and reading labs to assist students who were unsuccessful in the Basic Skills Competency Test, continued with the advanced placement course in the junior and senior year, development of the importance of reading courses, and the development of team teaching on the term paper with the Social Studies Department.

The Mathematics Department continues to meet the students' needs of the computer era and the development of a two-year Algebra I course for students who have difficulty with abstract mathematics. The development of a computer lab to be used by all departments in their teaching curriculum has been very successful. The Math Club and computer team had continued success.

The Social Studies Department has been quite involved this year with the national and state elections as well as the Hugh O'Brian Youth Leadership Seminars, State Government Day, and class elections. Students continued to be involved with field trips to the Wrentham Courthouse, Miller's Court, Law Day and the Hockomock League Senate.

The Science Department continues to offer a sound curriculum with restructured courses in Advanced Chemistry, Advanced Physics and Advanced Placement in Biology.

The Foreign Language Department continued to offer the opportunity to students to take one or two of the languages offered: French, Spanish, German, and Latin.

Advanced Placement courses are offered in French and Spanish. There has been continued interest in Latin and German. The fifth year French and Spanish students continue with their tutorial program in the Wrentham and Norfolk Elementary Schools.

The Fine and Performing Arts Department continues to expand course offerings accompanying a greater student interest. Students have participated very successfully in the New England Scholastic Band Association competitions, Globe Scholastic Art Contest, and other local and state contests. The 1988 Marching Band was the New England Scholastic Band Association Division II champions.

The Physical Education Department continued with the development of carry-over activities and the development of the new adventure wall climbing course and the health course "Skills for Living" for all freshmen and sophomores. The Physical Education Internship has met the needs of students furthering their education in the health/physical education field.

High school athletics, intramurals, school clubs, and activities continue with an increase in student participation. Expansion has taken place with additional clubs such as UNICEF Club and Pre-Medical Club.

Junior High School

The activities and programs which follow are those which made a positive contribution to the educational development of our students, staff and parents during the 1987-'88 school year:

A very successful school opening was followed by a very well-attended Open House. The early October activity affords parents the opportunity to follow their youngsters' schedules to meet teachers and become familiar with course content, classroom organization and homework policy.

Special thanks to the King Philip Regional Vocational School staff for their outstanding vocational trades display.

Our second School Improvement Council recommended the following proposals to be implemented in our school:

1. Skeleton for science program
2. Funding for a Drama Club
3. Electric water-coolers for the corridors
4. Disk drives to add to the computer equipment
5. Microphone equipment for the auditorium
6. Additions to the wall-climbing course
 - a. Burma Bridge
 - b. Blocks
 - c. Ropes
7. Musical Instruments for the band program

8. Two theatrical performances by the Cumberland Theatre Company

Special thanks is extended to our School Improvement Council members.

Honor Roll Students Tutors - a student tutorial program was created by Mr. Gary Lombard, King Philip Regional School - North guidance counselor, using honor roll students to assist their peers during study blocks.

After extensive review of current materials, the Social Studies Department selected a new textbook to be used in the American History program for eighth grade students.

Two Nutrition Workshops were conducted by the New England Dairy Council for science and physical education teachers. Nutrition education activities will be conducted for both seventh and eighth graders during the 1988-'89 school year.

A parent group was established during the fall of 1988. The support group will be meeting on a monthly basis to address educational questions and concerns within the King Philip Regional School District.

Five Year Plan Development - Mr. William Costa, Superintendent of Schools, held numerous department meetings at King Philip Regional School - North to establish educational goals and objectives to be implemented over the next five years.

With the purchase of some basic weather measuring instruments, we have begun to develop a weather analysis and forecasting station in our science department.

Special thanks to Miss Joscelyn Varieur, Mr. Algot Runeman and our student "editors" for developing the first Junior High School yearbook. Their first efforts were a tremendous success and we look forward to the next edition.

Thanks to the fine efforts of Mrs. Kathleen Calkins, reading teacher, our school has received funding from the Massachusetts State Arts Lottery. In addition to attending a theatre performance, our students will be involved with "backstage" professionals while we create our own dramatic production.

We would like to extend our sincere appreciation and gratitude to the regional Lions Club organizations for their continued financial support of our "Lions/Quest Skills for Adolescence" program. The parents are also to be congratulated for their active participation in our evening parent seminars.

Congratulations to the outstanding achievement of those students who received recognition at our annual Academic Awards ceremony in June.

Our students wish to thank the many parents and friends who participated in our annual fund raiser. You are a tremendous help in supporting our Student Activities Fund.

District Special Needs and Guidance

This past year was very stable for Pupil Services. There were no major changes, but progress continued to be made.

With regard to staffing, two aides in the Special Needs Department were replaced with a full time teacher. This allowed for a greater distribution of the High School case load at no additional cost to the District. The services of an

Occupational Therapist were secured for one day per week filling a void that many school systems cannot fill because of the shortage of therapists in Massachusetts.

In other areas, the Senior High School Guidance Department completed work on a comprehensive handbook which will be printed and ready for distribution to all Senior High School students before the end of the first semester. This will be put on a computer disc allowing for annual updates with a minimum of time involved. The ARROW newsletter to all juniors, seniors and staff continues to be an important communications device between community and school. The ARROW, which is published bi-monthly, addresses such issues as college boards, open houses, scholarships, study habits, calendar or upcoming deadlines, especially for seniors, as well as other items of interest that are appropriate as we go through the year. For the second year in a row we have run the college mini-fair program in conjunction with two other school systems. This program offers the students a better opportunity to meet with representatives of many more colleges than if they tried to set individual appointments. In fact, more schools are willing to come to King Philip using this format. We will continue to do this and also encourage parents to attend these fairs and meet the college representatives with their sons and daughters.

Two new computers were added to the Junior High School special needs program and are being used with enthusiasm and effectively supplement the core curriculum for these students. Further plans include recommendations to also expand the use of computers in the Senior High School special needs program.

During the Spring of 1988, the District Special Needs Program went through its required three year in-house program re-evaluation and received high praise for the quality of staff, "strong structure and the teach effort" in the support of our students. It was also noted that leadership is the "single most important factor of influence on the educational environment" and that this program has been given a clear sense of mission and the leadership necessary to effectively prepare our students with disabilities to be productive participating members of society. A copy of this evaluation is available at the Senior High School.

In the development of the School District Five Year Plan (1990-1995) it is imperative that we continue to grow and adjust to the changing times. Current indications are that we need more clerical staff and space. This is a need today and should be addressed immediately. In addition, the expanded state requirements and program needs require us to consider a full time coordinator of special services and another guidance counselor at the high school all before 1995. In that same time frame we will also have to consider the addition of one special needs aide to the program. All of these recommendations do not need to be implemented immediately, but should be phased in over five years beginning with the need for more clerical staff in July of 1989 and then adding other staff annually one at a time over the next several years.

It has been a fruitful and rewarding year. The support of the community, school committee, staff and parents has contributed, beyond measure, to the success and, therefore, high reputation we have in the area. Your continued support and enthusiasm for all of the educational programs we offer is absolutely necessary if our young people are to have the training they need and deserve.

Senior High School - Vocational Division

A primary function of secondary schools is to prepare students for their immediate post-graduation career goals. There are two fundamental goals: entering an institution of higher learning and entering the job market. For those students for whom further academic education is not the option they desire to select, then vocational education is the viable career direction. Statistically, about twenty-three per cent of the senior high school students select an occupational education.

There are strong data indicating exercising that option can offer young people, immediately entering the work force, satisfying, secure and economically successful lives. Vocational education prepares students for 26 of the 37 occupations the U.S. Bureau of Labor Statistics predicts will account for the largest number of new jobs by 1995. Eighty percent of all U.S. jobs don't require a college diploma, but they do demand skills provided by vocational education. Eighteen of the twenty fastest growing occupations within the next decade, as reported by the U.S. Bureau of Labor Statistics, require vocational education preparation.

To achieve the objective of providing entry level skills in trade and industrial occupations it has become increasingly important that the King Philip Regional Vocational High School staff maintains close contact with emerging technologies, continually revises curriculum and has an on-going program of equipment updating. There is a long range equipment replacement project that is conducted in conjunction with our five year plan to replace a major piece of equipment in at least two shops each year to maintain state of the art training on equipment in use in industry.

Each member of the staff participates in one of ten task groups designed to improve the quality of curricular offerings. This year the task groups are working in the following areas:

Vocational Orientation - continue to improve orientation between grade eight and the vocational high school, between the academic and vocational high schools, and between parents and the vocational high school.

Devise a broad strong program that effectively and efficiently describes the vocational programs available at the King Philip Regional Vocational High School for dissemination to students, parents and general public.

Describe what is offered at the KPRVHS in relation to actual and projected job opportunities in the local, state and national economies.

Construct and implement a time plan for the introduction of junior and senior high school students to vocational education.

The plan should implement programs in four areas:

- Junior High School Parents' Open House
- Junior High School Students' "Shadow Program"
- Vocational Sunday Brunch and Open House
- Vocational Education Week Activities

Marketing Education -

Create and operate a school store at King Philip-North. Prepare a one period marketing education course as an academic high school elective in marketing, merchandising or an allied area.

Implement a computer program with appropriate software for the area.

Newsletter and Student Recognition -

Prepare two newsletters that depict the activities and success of King Philip Vocational High School students. All shops, marketing education and business education will be represented within the two issues.

Photographs will be taken and printed to illustrate events. Continue the student recognition program and recommend improvements.

King Philip Regional Vocational High School Booklet -

Create and publish a descriptive handbook for the King Philip Regional Vocational High School.

Vocational Scholarships -

Solicit tradesmen to establish tool/book scholarships for the outstanding graduating seniors in all trade areas.

The committee shall also establish a target amount for each scholarship and criteria for the awards.

Data Processing -

Develop a data processing vocational program for implementation.

Survey: Projected job opportunities
Student interest in data processing as vocational program area
Staff and students to estimate other students' interest in data processing as an occupational elective

Determine space and equipment needs as well as total costs (initial and operating) of a data processing program including any offsetting costs.

Delta Programming -

A unique program created to introduce selected academic students to three area sequences designed to unify what is taught in the three areas and provide valuable hands on skills for potential engineering and art majors.

Delta One - Machine Shop, Computer Assisted Drafting, Electrical Shop

Delta Two - Art, Computer Assisted Drafting, Graphic Arts

Create suitable methods of disseminating program participation criteria and sequence descriptions for direct advertising among students and for the program of studies.

Prepare an appropriate course sequence completion certificate, monitor the DELTA Program and recommend improvements.

Prepare a manual that will insure standard uniform policies and procedures for DELTA.

Cable TV -

Extend the cable wiring of the academic division's classrooms and work on an interschool telecommunications network.

Desktop Publishing -

Design all phases of desktop publishing installation for implementation.

Safety, Hazardous Waste Disposal -

Organize a procedure for reporting and correcting safety violations and unsafe working conditions or equipment.

Recommend and prioritize projects for barrier removal, hazardous waste removal, asbestos abatement and institute safety procedures/equipment.

Recommend a procedure for the training of personnel in safe practices and hazard awareness.

Five Year Plan/Evaluation Preparation -

Work on a successor five year plan and prepare for the Division of Occupational Education's evaluation of the vocational division's programs.

The vocational division has experienced an exceptionally busy year. In addition to the previously noted activities the following projects and area improvements were also accomplished:

Business Education Department has updated its' word processing program with new computers and printers. They have also replaced a classroom with new electronic typewriters.

The Drafting Department has added additional CAD stations and a high speed graphics printer.

The Graphic Arts department has received a new computerized typesetter. The three towns in the district have utilized the graphic arts program extensively for printing required booklets, forms and reports.

The Carpentry Department completed many school repairs and constructed an oversized two bay gambrel roof garage and storage building. It was an excellent experience for the students and provided much needed storage space for the District's Maintenance Department.

The Automotive Department received a new computerized engine analyzer that plugs into cars' onboard modules and, through the utilization of appropriate software, indicates engine performance and pinpoints defects.

The Electrical Department continues to be involved in extensive wiring projects, repairing the schools' computer systems and maintaining the District's telephone system.

The Culinary Arts Department became involved with the District's senior citizens programs and has served many breakfasts and lunches for those programs. All of the schools' sports banquets and local clubs, such as the Boy Scouts, have banquets here at the school catered by our culinary program.

The Vocational Department, in the past year, has become highly involved in setting up a program for the disposal of hazardous waste materials to meet the new state and federal regulations.

The Machine Shop rebuilt and repaired machine parts for school maintenance and shop areas.

The Adult Education Program continued to grow. It offers traditional skill areas (automotive, carpentry, etc.) and technologically advanced programs (word processing, computer operations, computer assisted drafting, etc.)

Conclusion -

The School Committee has actively participated and supported us in our many endeavors. Its leadership and cooperation remain active and vital. I also sincerely appreciate the efforts of our students, their parents, teachers, guidance counselors, nurses, custodians, office personnel, cafeteria workers, and administrators in all our schools.

The success of the schools is dependent upon the interaction of all who teach, learn, serve and support the schools in the Regional District.

REPORT OF THE BOARD OF ASSESSORS July 01, 1987 to June 30, 1988

During FY1988 a full revaluation was completed. This revaluation must be done every three years as mandated by the Commonwealth of Massachusetts. The work was begun January 1, 1987 by Appraisal Consultants of New England. There was an increase in the total assessed value of \$203,147,625.00. All properties were assessed at full and fair cash value. We were able to maintain one tax rate of \$9.52.

The Board of Assessors meet every Monday from 7:00P.M. to 9:00P.M. When there is a Monday holiday, the meeting will be held on Tuesday evening.

Respectfully Submitted,

Plainville, Mass.

To the Honorable Board of Selectmen:

Report of the Highway Department from July 1, 1987 to
June 30, 1988.

Highway maintenance:

Streets and sidewalks have been swept. The Town of Wrentham provided a power sidewalk sweeper and a operator, the job of cleaning sidewalks was a pleasure. Thanks Wrentham. Roads have been repaired. Gravel roads have been graded. The South Burial Ground was mowed and trimmed. Street signs have been repaired or replaced as needed. Traffic lines have been repainted. Brush along roadways has been cut.

Resurfacing of town roads.

Chip sealing was done on parts of High Street, Chestnut Street, Bow Street and Rhodes Street. Bituminous concrete overlays have been done on sections of Rhodes Street, Hancock Street, Walnut Street and Taunton Street. Huntington Avenue, Pearl Street, Valerie Drive, Walnut Terrace and Ellen Drive have been resurfaced.

Drainage.

Storm basins have been repaired. Culverts repaired or replaced. Drainage was installed on Bow Street.

Sidewalks.

The sidewalk was extended on South Street to Pineland Drive. The sidewalk on East Bacon Street has been completed from South Street to Pleasant Street. Granite curbing was installed and a gravel base with asphalt was put in place.

Snow removal.

Sanding and plowing was done. Storm drains have been cleaned. Plows and sanders have been painted.

Rubbish pick-up.

Two heavy white goods pick up where done. Christmas trees are picked up separately and mulched. Leaves and grass trimmings can be brought to the highway garage for disposal.

Subj : Annual Town Report

I wish to publicly express my gratitude to the members of this department for their energies and accomplishments during the previous year, which enhances the quality of life in this fine community. They are indeed, Plainville's finest.

Several other groups of energetic folks whose activities interface with this department and ease the delivery of public service are the members of the Highway and Fire Departments. For instance, without the dedicated and sterling performance of the highway department during the winter months, motor vehicle and pedestrian accidents would be significantly higher and tax the department's capability to adequately respond to all of the accidents. As a result of these efforts, motor vehicle insurance costs, lost wages, pain and suffering costs are returned to the citizens in reduced motor vehicle insurance premiums.

The police department's operational interaction with the fire department results in effective and efficient service delivery to the citizens, from quick and effective response to medical and fire calls to aiding a citizen locked out of their home.

Speaking for the members of the police department, "We take our hats off to you and thank you."

To the Residents of the Town of Plainville:

As you are well aware the Plainville Water Department has been faced with numerous problems dealing with water supply for a long time. We would like to take this opportunity to give a brief overview of steps being taken in an effort to address these problems.

For many years complaints have been increasing regarding the poor quality of the water being delivered to homes and businesses served by the municipal water supply. Complaints vary concerning the taste of water, metallic and brackish and to color, red, brown and/or black and the staining of laundry and plumbing fixtures. With little doubt, these are problems which needed to be addressed and with funding approved at the Annual Town Meeting of 1988, the Water Department has been proceeding with the design and engineering of a 'Water Treatment Facility' to be built on land adjacent to the existing Water Department Facilities located near the intersection of George and East Bacon Streets. The purpose of this Treatment Facility is to produce an acceptable quality of water for our users. Several areas of concern have surfaced regarding the issue of water quality with regard to chemical contaminants in local groundwater near the existing facilities. As these issues will play a major part in the Town's future planning we continue to explore the best possible solutions to achieve an acceptable and practicable method to supply a quality product.

In keeping with the general pattern of development in Southeastern Massachusetts, the Town of Plainville is experiencing a large number of projects which can and will have an enormous impact on the quantity of water needed to supply an expanding population. The Department has taken steps to address this area of concern with two separate projects to increase our water supply. A new 'Well' to be located off George Street is currently nearing construction and is expected to be in operation sometime in late 1989. This well is expected to yield approximately 350,000 gallons of water per day to the system. This new Well will also be connected to the new Treatment Facility mentioned previously. As is the case throughout New England and seemingly predominant in Plainville, are ground waters having relatively high amounts of iron and manganese which necessitate this treatment.

The second project currently underway is the rebuilding and reconstruction of existing 'Well #3' located at the rear of the Town Highway Department Garage off West Bacon Street. This well has historically proven to provide a poor quality of water due to elevated iron and manganese levels and low ph value. Also a matter of concern has arisen regarding this well project due to the chemical contamination of groundwater in the Ten Mile River Basin at several locations which will have a major impact on the operation of this Well. We are working with the Massachusetts D.E.Q.E. and the Town of North Attleboro regarding this issue and once again are exploring all possible avenues of assuring adequate supply and protection of the area.

Along with these two projects we have taken steps to update existing information regarding three previously identified potential sources of supply.

1. The Cargill Pond site at Cross and High Streets
2. The Cowboy Town site at Cowell Street
3. The Town Conservation Area off Everett Skinner Road

Also completed was an exploratory program near Cowell and Taunton Streets and plans to test additional sites are being formulated.

During 1988 and 1989 new rules and regulations dealing with all aspects of water supply have been promulgated by Massachusetts D.E.Q.E. These new rules have a dramatic effect not only on Plainville but the entire Commonwealth. Foremost of all the regulations was the establishment of the Water Management Act which required the Town to submit five years of previous data to the State for the establishment of a permit to withdraw water for municipal supply. Along with this permit for existing withdrawal all future well sites will be required to undergo a permitting process. As part of the new permitting process the Town will be required to do additional engineering studies encompassing much larger land areas surrounding said future well sources. Additional rules and regulations with regard to treatment and testing of water supplies are also being promulgated along with new and stricter limits for certain water quality parameters. Once again, as we should all be aware, with population increases and more and more emphasis placed on water supply, the importance of continuing to support water supply and distribution projects should be an issue of utmost importance.

The Water Department will continue to apply for funding at the State or Federal level for the purpose of improving the overall function of the Water System and will remain active in it's assistance to all local Boards and Committees as we head into the future.

During recent months the Department has tested for possible lead contamination in the water supply and we meet the required standards of E.P.A. and D.E.Q.E. Also, the two Elementary Schools were tested and they also meet the required standards.

The Sodium Level in the water does exceed the State Standard for Reporting Level with an average quarterly level of 41 milligrams per liter. This regulation was established as a means for notification for those individuals who need to restrict the amount of sodium in their system for medical reasons. The options for correcting the situation, such as treatment, development of new sources, chemical injection, etc. would have a great financial impact on the town. Therefore, we do advise the Town's people to be aware of this elevated level but though the level appears to be high, in reality there are differing viewpoints of governmental bodies regarding these levels. We stress the point that the issue is a reporting standard only and that there is no mandatory requirement to reduce this level.

As part of our on-going program of sampling we have tested the Wells for various contaminants and as a requirement of the Federal Clean Drinking Water Act and D.E.Q.E. we will be sampling for 59 volatile organic compounds during 1989.

In closing we would like to extend our sincere appreciation to all the residents of the Town for their continued co-operation regarding the water situation and also to all elected and appointed officials of the Town for their help and support throughout the year. We look forward to meeting the challenges we are faced with for the future and will continue to be diligent in our efforts to supply the Town with good service.

SEWER REPORT

Phase II of the Town's Sewer Collection Facility has been completed. New sewer mains were installed in the following streets: Taunton, Messenger, East Bacon, George, James, Ewald and Man Mar Drive. Service connections were installed to properties along these streets and it expected that by June or July of 1989 connections to the system will begin.

As per the Plainville Sewer Use By-Law these property owners will have five years to make the individual tie-ins necessary. Recently completed was in Inflow/Infiltration Study of the existing sewer mains. The report is being reviewed for further action which may be necessary. There are still some remaining properties within Phase I of the System which need to be connected. Efforts are being made to accomplish this.

Once again we wish to thank all the residents for their co-operation during the sewer construction project and all the various town officials for their support and co-operation throughout the year.

Respectfully submitted

Public Library

Plainville, Massachusetts

To the Honorable Board of Selectmen
and the Citizens of Plainville:

The past year has been a progressive year for the Plainville Library both old and new. The Library Trustees and the Library Building Committee have labored long hours to provide Plainville with a full service library. The new facility is well on its way to completion.

The present Library has been in a constant flow of reorganization. We would like to take this opportunity to thank all our patrons for their understanding during these times.

The library has been thoroughly weeded by several librarians with expertise in reference and childrens materials as well as general library materials from the Eastern Massachusetts Regional Library System.

The Plainville Library is now a member of the Southeastern Mass Cooperative Book Purchasing Group. This allows us to save up to 40% per volume including premade cards.

This past Summer launched a new Summer Reading Program which proved to be quite successful. Librarian Pat Cobb had lines of patrons checking out books, as many as 144 volumes in a day. The participants read over 450 volumes and were awarded Certificates of Achievement and Plainville Library Book Bags. Trophies, ribbons and gift certificates were also presented.

We would also like to thank the Friends of the Library for the generous contributions of support to the Summer Reading Program and for providing several story hours for young children. The Friends had a highly successful Book & Bake Sale this past year and are looking forward to growth in the new year.

With sadness, we accepted Carolyn Berkley's resignation this past year. We thank her for her years of dedication and service.

We welcomed a new member to our staff, Librarian Nancy Hill who has undertaken the painstaking task of organizing and updating the catalogue system.

The Children's Room has been thoroughly organized and color coded for easier selection.

There are new volumes arriving. The reference materials are being updated. More videos will be available soon. The library is now open more hours and the search for a new director continues.

We are presently working on a grant to provide materials and programs that are greatly needed for young adults between 13 and 17 years of age. This is an area that needs our immediate attention. The trustees are in the process of forming a Youth Advisory Board.

We wish to thank all the Town Officials and the Town Departments as well as all the volunteers for their cooperation and help during the past year.

Respectfully submitted,

Barbara Lee, Chairman

Report of the Library Building Committee

To the Honorable Board of Selectmen:

Completion of the new Plainville Library is very near. The year 1987-88 brought about construction bidding and re-bidding of general and sub-contractors to allow awarding of a contract to any bidder. The original budget of \$950,000 for total costs proved overly optimistic, due to unusually rapid construction costs. In an attempt to stay within the budget, the project was re-bid with many changes to reduce the cost sufficiently. A contract was signed with Casby Brothers of West Roxbury, General Contractor, on May 9, 1988.

The committee felt that the community should make the final decision in restoring or not the changes. Therefore, we asked for a Special Town Meeting which was held on June 13, 1988. At that time \$300,000 was requested to implement the original budget. The article was ammended by the committee to read \$250,000 which was passed.

The committee appreciates the support and enthusiasm of the voters and town administrators. We are proud and thrilled with the project. Many thanks to those in the past who paved the way for the completion of a new library.

Respectfully submitted,

REPORTS OF THE PLANNING BOARD

To the Honorable Board of Selectmen:

This year was an active one for the Planning Board, and the following is a summary of our activities.

The Board considered fifteen Form A Applications, all of which were approved. In addition, the Board considered seven Preliminary Plans for subdivisions. All seven Preliminary Plans were accepted. Seven Definitive Plans for subdivisions were reviewed by the Board. At year end, one is in litigation, two are pending and four have been approved with specified conditions. Seven Site Plan Reviews were held, six being accepted with stipulated conditions and one is pending at year end.

The Planning Board researched, revised and adopted after a Public Hearing, amendments to its Subdivision Regulations as to its fee schedule.

In the course of the year, the Board held a total of 4 Public Hearings to consider both subdivisions, amendments to its regulations and proposed zoning changes which were at the request of the Board of Selectmen. Those changes considered were as follows:

1. Parking lot requirements
2. Lot width requirements
3. Additions to the Intensity of Use Schedule of the Zoning By Laws

We encourage all concerned citizens to attend our meetings and hearings to express their views on these and other matters.

We wish to thank all Town Officials and Town Departments for their cooperation during the past year.

Respectfully submitted,

Report to the Town of Plainville from the Commissioners of the
Southeastern Regional Planning and Economic Development District

The Southeastern Regional Planning and Economic Development District served the Town of Plainville in many ways in 1988. SRPEDD (pronounced sir-ped) is not a federal or state agency, but a true locally run regional agency serving southeastern Massachusetts. In the past year, representatives of Plainville serving on the SRPEDD Commission were Andrea Soucy representing the Board of Selectmen, and Richard Stenfeldt for the Planning Board.

Some of the District's more significant accomplishments in 1988 were:

- Completion of the annual Transportation Improvement Program (TIP) and Overall Economic Development Program (OEDP) which set regional priorities on federal and state grants for transportation and economic development projects.
- Initiation of a regional groundwater (aquifer) mapping project, to be completed in 1989.
- Staffing of the South Eastern Economic Development (SEED) Corporation, which makes loans to small businesses for expansion. In 1988, SEED approved loans to 14 small businesses in the amount of \$2.35 million. These loans are projected to create 170 jobs and will result in the investment of \$4.85 million from private sources.
- SRPEDD continued to provide the planning services for the two regional transit authorities, GATRA and SRTA.
- SRPEDD reviewed the environmental impact of larger development projects in the region to insure that potential harmful impacts will be addressed. This year, we reviewed one hundred forty five such projects, commenting on the impact on traffic, water supply, sewage disposal, wetlands, and other development-related issues.
- Fifty five applications for federal and state funds were reviewed to insure consistency with other plans and efficient use of public funds.
- The district traffic counting program and computerized accident filing system were both expanded in 1988.
- The Southeastern Jewelers and Platers Source Reduction Project was a major continuing effort in 1988. SRPEDD worked with manufacturers to reduce their generation of hazardous waste and thereby cleaning up the Ten Mile and Taunton Rivers.
- The District prepared a build-out analysis, which projects the impacts of full development in the municipality. The analysis provides information on population, road network, school enrollment, water demand, sewage generation and traffic impacts of future development.
- The District assisted the Planning Board by providing an engineering and planning review and analysis of subdivision plans filed during the year.

- SRPEDD continued its staffing services to the Plainville Planning Board in 1988, performing engineering reviews of all subdivisions and site plan reviews of all commercial developments.
- Proposed changes to the zoning by-laws, the subdivision rules and regulations and the cluster development rules and regulations were prepared by SRPEDD in 1988.

We look forward to serving the Town of Plainville in 1989.

During the past year the Plainville Historical Commission has been extremely active but not in a showy way. The work accomplished has been constructive and of lasting value. The major portion of the survey was completed by the members and typed by Debbie Barney Flynn. The maps and photos were added to these pages and each was photocopied by Fred and Barbara Fluck with the cooperation of Joan Clarke. The Flucks then delivered this section of the survey to the Massachusetts Historical Commission. The local commission is now at work completing the east and west sides of town. There have been four work parties over and above our regular meetings which have also often included preservation activities. As a result most of our documents are in acid-free envelopes.

Among donations of artifacts, documents, and photographs there have been gifts from Richard Woodward, Marty Gibeault, George Curtis, Robert Root, Esther Friend, Earl Peck, Joan Geishecker, Lawrence Carpenter, Ryder Smith, William Rice, Fred and Barbara Fluck, Brian Rickard, and Frances Franklin.

We again did and maintained the plantings at the triptych--no slight task in the hot summer of 1988. Brian Rickard donated his time to stain the wood of the triptych.

Several members attended informative conferences in New Bedford and Northampton.

Of significance to the community was the historical and archaeological clearance for the site of the new library which we secured from the Massachusetts Historical Commission thus establishing eligibility for grant applications for that project.

We suffered an incalculable loss when our secretary--archivist--author and mainstay, Esther Friend, relocated to Delaware. We miss her and wish her well.

We conclude by emphasizing that no town group accomplishes much without the cooperation of many. We are indebted to all the Town Office staff, Town Clerk, Treasurer, Building Inspector, Selectmen, Library Trustees and staff, Highway Department, School Department, Finance Committee, and the Administrative Assistant. Above all, we thank the residents of Plainville for their continued interest and support.

Respectfully submitted,

Barbara P. Fluck, Chairman

To the Citizens of Plainville,

Under Massachusetts law, Boards of Health are required to review and approve subdivision plans. This year we adopted specific guidelines so that the Planning Board, engineers and developers would know what criteria will be required for board of health approval. This has become necessary because the most buildable land in town has already been developed, and what remains tends to have problematic soil or drainage characteristics. Having a written set of criteria for subdivision review will also ensure that every proposal receives the same scrutiny and equal treatment.

This is also the first year that the board of health has had its own registered engineer, William Domey, on hand to review plans and monitor the Laidlaw landfill. It is also the first year that we have been without a part-time secretary, which has made it difficult to keep up with the paperwork. And most of all, this year has been marked by the serious illness of Everett Skinner, who had been a member of this board since its inception in 1983. Upon Everett's recovery, he was unanimously appointed a health agent. The board of health, and town of Plainville, have been the beneficiary of Everett's dedication to this community and we are very grateful to have him with us once again. Our thanks also to Animal Inspector, Maurice Guimet, and to former health agent, Frank Wojciechowski, who remained with us for a year beyond his resignation date, and who can still be counted on to help when needed. We also thank the Assessors and their staff, for the patience they have shown with our overflowing paperwork. Because we do not have any office space of our own, board of health files are kept in the Assessor's office. This situation makes it very difficult to continue to meet our growing responsibilities and workload, and our success is largely due to the spirit of cooperation that exists in the town office.

In an effort to share with the public information on public and environmental health, there is now a board of health bulletin board in the town office. This past year information has been posted on drinking water standards, AIDS prevention, radon gas, diabetes and many other subjects. The next time you're in the office please take a look.

December 31, 1988

Town of Plainville

1988 REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective, and economically feasible.

All mosquito eggs need water to hatch to sustain larval growth.

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack and mistblowers	95 acres
Catch basin larvicide application	227 count

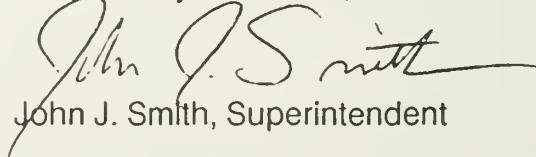

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, or threatening to residents.

Adulticide with mistblowers	10 acres
Adulticide U.L.V. from trucks	5,440 acres

Surveys, inspections, and monitoring in support of our program include locating and mapping breeding areas, larval and adult collections, and field work evaluations leading to better drainage.

The Project received 11 calls from residents for information and assistance.

NORFOLK MENTAL HEALTH ASSOCIATION, INC.
10 Cottage Street
Norwood, MA 02062

The Norfolk Mental Health Association is a private non-profit corporation governed by a citizen Board of Directors who represent each of the twelve towns in its service area: Canton, Dedham, Foxboro, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham.

The major programs of the Norfolk Mental Health Association available to Plainville residents are:

CUTLER COUNSELING CENTER has a fully licensed staff of social workers, psychologists and psychiatrists bringing together a rich variety of skills and experience to provide a wide range of services to children, adolescents and adults of all ages. In order to be most responsive to individual needs and community concerns, Cutler Center is organized into specialized programs offering services in the following areas: Intake and Emergency; Family and Children; Alcohol and Substance Abuse; Chronic Care; Psychiatry; Adult; Senior Care; Psychological Testing, and Community Education and Information. Each program offers specialized groups and services, such as the Parent-Toddler Program, an educational and supportive experience for parents and their children from birth to age 3, and the Gym Program, a unique blend of counseling and physical activity for children between the ages of 5 and 15. Other programs and groups include the Widowed Lifeline offering comfort, understanding, and friendship to men and women at any stage of widowhood; Assertiveness Training; Separation and Divorce; and Families of Substance Abusers. In the Alcohol and Substance Abuse Program a significant affiliation has been forged with the NORCAP Center providing a most comprehensive approach to the treatment of substance abuse.

Cutler Counseling Center currently has offices in Norwood and Wrentham with the Wrentham Office providing the full range of services offered by the Norwood Office.

PROJECT HIRE, a sheltered vocational rehabilitation facility for people with emotional, developmental or physical handicaps. Programs include diagnostic evaluations, electronic skill training, work adjustment training and counseling, sheltered long-term employment, and transitional employment and job placement.

PARENT-AIDE PROGRAM, offering trained and supervised volunteer aides who provide one-to-one help to clients in the community, families and individuals in crisis, victims of domestic violence, parents at risk of abusing and neglecting their children.

COMMUNITY EDUCATION PROGRAMS: The staff of Cutler Center are available to provide talks, workshops and consultation on a wide variety of mental health related topics. These services are available to community agencies, civic

organizations, business and industry, schools and the Court system. In addition, community education programs on such topics as stress management, assertiveness training and clinical issues are help periodically throughout the year.

During fiscal year 1988, Cutler Counseling Center provided direct services to approximately 56 people from Plainville. The total value of these services was \$17,580 of which the Town of Plainville allocated \$3,050.

In the past year, people from Plainville who came to us for assistance were often referred by friends, neighbors, family, clergy, school, physicians, or community agencies. The most common requests for help concerned such problems as depression and anxiety, difficulties in marriage or family relations, school or behavior-related problems, alcohol or drug abuse, work-related problems, and acute or chronic mental illness.

The Norfolk Mental Health Association Board of Directors includes Rev. John Mahoney and Jeannette Pray from Plainville.

South Norfolk County Association for Retarded Citizens

Annual Report

The South Norfolk County Association for Retarded Citizens has, despite essentially level-funded programs, been able creatively to manage limited growth and expansion in several areas.

Our Early Intervention Program for babies aged 0 to 3 years continues to carry a waiting list for services but we have made inroads towards decreasing the list and we continue to provide an ever-expanding number of families with educational services and occupational, physical and speech therapies. Our referrals come from local physicians, hospitals and community and family members.

The Day Habilitation Program has expanded this year to thirty-nine clients. Through their ongoing training program they are able to serve the community by various "collating" jobs and by assembling mailings for civic organizations, etc. Norfolk Community Enterprises is fully embarked on a new food preparation program providing healthful food for Norfolk Industrial Services. Their janitorial program now encompasses such sites as the Needham YMCA.

Norfolk Industrial Services has increased the number of their supported and competitive employment sites to include Burger King, Alimed, Fire Control Instruments, Bradlees and Building #19, enabling many of the handicapped men and women whom we serve to become more independent as they enter the competitive work force.

Our residential programs are now well integrated into the various towns and we take pride in the sense of participation in the community which has developed as a result of the efforts of our well-trained and dedicated staff.

Family Support is a new program this year and it is designed to support the families who have a disabled family member in the most appropriate way. Specific programs to aid with transportation or with advocacy and other needs will be developed during this coming year.

Respite Care and Social and Recreational Programs offer help to individuals and their families in the South Norfolk Area. Without the help from our local towns we could not offer such an array of services for our neighbors who have a handicapped family member. We are grateful for your support.

For more information, please call Jane Smith at 359-5546 or 762-4001.
